WHEREAS, the Law Firms filed similar lawsuits on behalf of 66 other Wisconsin counties and all Wisconsin cases were coordinated with thousands of other lawsuits filed against the same or substantially similar parties as the Opioid Defendants in the Northern District of Ohio, captioned *In re: Opioid Litigation*, MDL 2804 (the “Litigation”); and

WHEREAS, four (4) additional Wisconsin counties (Milwaukee, Dane, Waukesha, and Walworth) hired separate counsel and joined the Litigation; and

WHEREAS, since the inception of the Litigation, the Law Firms have coordinated with counsel from around the country (including counsel for Milwaukee, Dane, Waukesha, and Walworth Counties) to prepare the County’s case for trial and engage in extensive settlement discussions with the Opioid Defendants; and

WHEREAS, the settlement discussions with McKesson Corporation, Cardinal Health, Inc., AmerisourceBergen Corporation, Johnson & Johnson, Janssen Pharmaceuticals, Inc., Ortho-McNeil-Janssen Pharmaceuticals, Inc., and Janssen Pharmaceutica, Inc. (the “Settling Defendants”) resulted in a tentative agreement as to settlement terms pending agreement from the County and other plaintiffs involved in the Litigation; and

WHEREAS, copies of the Distributors Settlement Agreement and Janssen Settlement Agreement (collectively “Settlement Agreements”) representing the terms of the tentative settlement agreements with the Settling Defendants have been provided with this Resolution; and

WHEREAS, the Settlement Agreements provide, among other things, for the payment of certain sums to Participating Subdivisions (as defined in the Settlement Agreements) upon the occurrence of certain events detailed in the Settlement Agreements; and

WHEREAS, the County is a Participating Subdivision in the Settlement Agreements and has the opportunity to participate in the benefits associated with the Settlement Agreement provided the County (a) approves the Settlement Agreements; (b) approves the Memorandum of Understanding allocating proceeds from the Settlement Agreements among the various

WHEREAS, pursuant to Wis. Stat. § 165.12(2), the proceeds from any settlement of all or part of the Litigation are distributed 70% to local governments in Wisconsin that are parties to the Litigation and 30% to the State; and

WHEREAS, Wis. Stat. § 165.12(4)(b)2. provides the proceeds from the Settlement Agreement must be deposited in a segregated account (the “Opioid Abatement Account”) and may be expended only for approved uses for opioid abatement as provided in the Settlement Agreements; and

WHEREAS, Wis. Stat. § 165.12(7) bars claims from any Wisconsin local government against the Opioid Defendants filed after June 1, 2021; and

WHEREAS, the definition of Participating Subdivisions in the Settlement Agreements recognizes a statutory bar on claims such as that set forth in Wis. Stat. § 165.12(7) and, as a result, the only Participating Subdivisions in Wisconsin are those counties and municipalities that were parties to the Litigation (or otherwise actively litigating a claim against one, some, or all of the Opioid Defendants) as of June 1, 2021; and

WHEREAS, the Legislature’s Joint Committee on Finance is not statutorily authorized or required to approve the allocation of proceeds of the Settlement Agreements among Wisconsin Participating Subdivisions; and

WHEREAS, pursuant to the County’s engagement agreement with the Law Firms, the County shall pay up to an amount equal to 25% of the proceeds from successful resolution of all

or part of the Litigation, whether through settlement or otherwise, plus the Law Firms' costs and disbursements, to the Law Firms as compensation for the Law Firms' efforts in the Litigation and any settlement; and

WHEREAS, the Law Firms anticipate making application to the national fee fund established in the Settlement Agreements seeking payment, in whole or part, of the fees, costs, and disbursements owed the Law Firms pursuant to the engagement agreement with the County; and

WHEREAS, it is anticipated the amount of any award from the fee fund established in the Settlement Agreements will be insufficient to satisfy the County's obligations under the engagement agreement with the Law Firms; and

WHEREAS, the County, by this Resolution, and pursuant to the authority granted the County in the applicable Order emanating from the Litigation in relation to the Settlement Agreements and payment of attorney fees, shall execute an Escrow Agreement, which shall among other things direct the escrow agent responsible for the receipt and distribution of the proceeds from the Settlement Agreements to establish an account for the purpose of segregating funds to pay the fees, costs, and disbursements of the Law Firms owed by the County (the "Attorney Fees Account") in order to fund a state-level "backstop" for payment of the fees, costs, and disbursements of the Law Firms; and

WHEREAS, in no event shall payments to the Law Firms out of the Attorney Fees Account and the fee fund established in the Settlement Agreements exceed an amount equal to 25% of the amounts allocated to the County in the Allocation MOU; and

WHEREAS, the intent of this Resolution is to authorize the County to enter into the Settlement Agreements, the Allocation MOU, and the AG MOU, establish the County's Opioid Abatement Account, and establish the Attorney Fees Account; and

WHEREAS, the County, by this Resolution, shall authorize the County's corporation counsel to finalize and execute any escrow agreement and other document or agreement necessary to effectuate the Settlement Agreements and the other agreements referenced herein.

NOW, THEREFORE, BE IT RESOLVED: the County Board of Supervisors hereby approves:

1. The execution of the Distributors Settlement Agreement and any and all documents ancillary thereto and authorizes the Board Chair to execute same.
2. The execution of the Janssen Settlement Agreement and any and all documents ancillary thereto and authorizes the Board Chair to execute same.
3. The final negotiation and execution of the Allocation MOU in form substantially similar to that presented with this Resolution and any and all documents ancillary thereto and authorizes the Board Chair to execute same upon finalization provided the percentage share identified as allocated to the County is substantially similar to that identified in the Allocation MOU provided to the Board with this Resolution.
4. The final negotiation and execution of the AG MOU in form substantially similar to that presented with this Resolution and any and all documents ancillary thereto and authorizes the Board Chair to execute same.

5. The corporation counsel's negotiation and execution of the Escrow Agreement for the receipt and disbursement of the proceeds of the Settlement Agreements as referenced in the Allocation MOU.

BE IT FURTHER RESOLVED: the County hereby establishes an account separate and distinct from the County's general fund which shall be titled "Opioid Abatement Account." All proceeds from the Settlement Agreements not otherwise directed to the Attorney Fees Account established under the Escrow Agreement shall be deposited in the Opioid Abatement Account. The Opioid Abatement Account shall be administered consistent with the terms of this Resolution, Wis. Stat. § 165.12(4), and the Settlement Agreements.

BE IT FURTHER RESOLVED: the County hereby authorizes the escrow agent under the Escrow Agreement to establish an account separate and distinct from any account containing funds allocated or allocable to the County which shall be referred to by the County as the "Attorney Fees Account." The escrow agent shall deposit a sum equal to up to, but in no event exceeding, an amount equal to 20% of the County's proceeds from the Settlement Agreements into the Attorney Fees Account. If the payments to the County are not enough to fully fund the Attorney Fees Account as provided herein because such payments are made over time, the Attorney Fees Account shall be funded by placing up to, but in no event exceeding, an amount equal to 20% of the proceeds from the Settlement Agreements attributable to Local Governments (as that term is defined in the Allocation MOU) into the Attorney Fees Account for each payment. Funds in the Attorney Fees Account shall be utilized to pay the fees, costs, and disbursements owed to the Law Firms pursuant to the engagement agreement between the County and the Law Firms provided, however, the Law Firms shall receive no more than that to which they are entitled under their fee contract when considering the amounts paid the Law Firms from the fee fund established in the Settlement Agreements and allocable to the County. The Law Firms may make application for payment from the Attorney Fees Account at any time and the County shall cooperate with the Law Firms in executing any documents necessary for the escrow agent to make payments out of the Attorney Fees Account.

BE IT FURTHER RESOLVED that all actions heretofore taken by the Board of Supervisors and other appropriate public officers and agents of the County with respect to the matters contemplated under this Resolution are hereby ratified, confirmed and approved.

Dated at Port Washington, Wisconsin, this 1st day of December 2021.

- Local Government Allocation Resolution (FINAL 11 29 21) (PDF)

Talking Points- National Proposed Settlements ***Big Three Distributors and J&J***

Nationwide settlements have been proposed to resolve all Opioids litigation brought by states and local political subdivisions against the three largest pharmaceutical distributors: McKesson, Cardinal Health and AmerisourceBergen (“Distributors”), and manufacturer Janssen Pharmaceuticals, Inc. and its parent company Johnson & Johnson (collectively, “J&J”).

These settlements will provide substantial funds to states and subdivisions for abatement of the opioid epidemic across the country and will impose transformative changes in the way the settling defendants conduct their business.

Basic Terms:

- Distributors will pay a maximum of \$21 billion over 18 years.
- J&J will pay a maximum of \$5 billion over no more than nine years.
- Of this potential \$26 Billion- approximately \$22.8 billion in settlement proceeds payable to state and local subdivisions.
- Of the funds going directly to participating states and subdivisions, at least 85% must be used for abatement of the opioid epidemic.
- The settlements allow for a broad range of approved uses by state and local governments to abate the opioid epidemic. A list of approved uses is found at Exhibit E of the Master Settlement Agreements.
- Agreements also provide for injunctive relief that requires important changes to the Distributors’ and J&J’s conduct to better protect our nation’s health and welfare.
 - Creation of a groundbreaking clearinghouse through which the Distributors will be required to account not only for their own shipments, but also the shipments of the other distributors, in order to detect, stop, and report suspicious Opioids orders.
 - J&J (which ceased marketing Opioids in 2015 and ceased selling Opioids in 2020) will not market or sell any Opioid products in the next ten years and has agreed to cease lobbying concerning prescription opioids for ten years.
 - J&J also has agreed to make the clinical trial data for its discontinued Opioids available for medical research.

How will the Settlement Be Approved?

- These are not class action “opt out” settlements. Counties and cities need to sign a Participation Agreement and agree to release their claims in order to receive the settlement proceeds.

- Settlements require that a critical mass of both state and local governments “opt in” **by January 2, 2022.**
- After January 2, 2022, both sides have options to walk away if not enough participation.
- Participation levels also affect how much money settling parties will receive- about half of the funds are in the form of “incentive payments” which grow with participation.
- Need nearly 100% participation in a given state to get 100% of the money.
- Participation is critical to maximize the dollars into our State.

Why Should a Local Government Sign On?

- This proposal is a product of years of litigation and years of settlement negotiations.
- Negotiators have put forward this deal because they believe it is the best deal to be had.
- Money is critical to the epidemic now.
- Litigation has real risk.
- Further insolvencies are a real risk.

What Will Happen if my County Does Not Participate?

Federal Court managing all cases has ordered that any non-participating entities will be in immediate active litigation with deadlines to do the following in 90 days (Doc. # 3795):

1. Disclose nature and amount of damages
2. Disclose computation of monetary relief sought.
3. Produce documentation of past expenditures.
4. Produce documentation of intended future expenditures-what they are and who will spend- how they will address harms.
5. Identify and quantify all Defendant Suspicious Order and disclose methodology.
6. Produce all of your documents.
7. Disclose experts.
8. Disclose updated fact sheets

*Essentially the Court will make all those not signing on do the work of their entire case in 3 months. Court is trying to incentivize total participation.

When is the Deadline for Participating?

January 2, 2022.

What are the Steps Necessary to Participate?

1. Register to Vote- you are registered (insert who the rep is).
2. Your designated representative received two Participation Agreements (the documents to agree to the Settlements (One Distributors and one J&J)
3. Present the Settlements and accompanying MOUs to Board before Jan. 2
4. Board Vote.
5. Resolution Authorizing Representative to Sign the Participation Agreements to the Master Settlement Agreements and Execute the accompanying MOUs.
6. Representative Signs Participation Agreements and MOUs before January 2.

When Will \$ Begin to Flow?

- The Distributors made an initial deposit of funds into escrow by the end of September 2021 and will make additional deposits in early Summer of 2022.
- Funds can begin to flow to states and local governments as early as April 2022, depending on when a settling State meets certain requirements.
- The J&J agreement also offers opportunities for significant acceleration of payments if states and subdivisions meet specified participation levels.
- There may be opportunities to monetize your settlement and accelerate payments that way.

WISCONSIN LOCAL GOVERNMENT MEMORANDUM OF UNDERSTANDING

WHEREAS, the people of the State of Wisconsin (“State”) and its communities have been harmed by misfeasance, nonfeasance and malfeasance committed by certain entities that engage in or have engaged in the manufacture, marketing, promotion, distribution or dispensing of an opioid analgesic, including but not limited to those persons or entities identified as Defendants in the matter captioned *In re: Opioid Litigation*, MDL 2804 pending in the United States District Court for the Northern District of Ohio (“Litigation”);

WHEREAS, certain Wisconsin local governments identified on the attached Exhibit A (“Local Governments”), through their counsel, are separately engaged in litigation and settlement discussions seeking to hold the Defendants in the Litigation accountable for the damage caused by their misfeasance, nonfeasance and malfeasance;

WHEREAS, the Local Governments share a common desire to abate and alleviate the impacts of the misfeasance, nonfeasance and malfeasance described above throughout the State of Wisconsin and in its local communities;

WHEREAS, the settlement discussions with McKesson Corporation, Cardinal Health, Inc., AmerisourceBergen Corporation, Johnson & Johnson, Janssen Pharmaceuticals, Inc., Ortho-McNeil-Janssen Pharmaceuticals, Inc., and Janssen Pharmaceutica, Inc. (“Settling Defendants”) resulted in a tentative agreement as to settlement terms (“Settlement Agreements”) pending agreement from the State of Wisconsin, the Local Governments and other plaintiffs involved in the Litigation;

WHEREAS, the Settlement Agreements provide, among other things, for the payment of certain sums to Participating Subdivisions (as defined in the Settlement Agreements) upon the occurrence of certain events detailed in the Settlement Agreements;

WHEREAS, while the Local Governments recognize that the sums which may be available from the aforementioned litigation will likely be insufficient to fully abate the public health crisis caused by the Opioid epidemic, they share a common interest in dedicating the most resources possible to the abatement effort; and

WHEREAS, the Local Governments intend this Local Government Memorandum of Understanding (“MOU”) to effectuate the terms of the Settlement Agreements and allocate the proceeds of the Settlement Agreements to each of the Local Governments in percentages substantially similar to those identified on the attached Exhibit A.

NOW, THEREFORE, the Local Governments enter into this MOU upon the terms described herein.

1. The Local Governments shall in good faith cooperate and negotiate with the State to identify an appropriate escrow agent (“Escrow Agent”) and, thereafter, prepare an Escrow Agreement relating to the receipt and distribution of the proceeds payable to the State and the Local Governments under the Settlement Agreements (“Opioid

Funds”) consistent with the terms of the MOU between the State and the Local Governments and otherwise consistent with this MOU. The Escrow Agreement shall govern the Escrow Agent’s receipt and distribution of all Opioid Funds.

2. The Escrow Agreement shall authorize the escrow agent to establish an account separate and distinct from any account containing funds allocated or allocable to a Local Government which shall be referred to herein as the “Attorney Fees Account.” Pursuant to Wis. Stat. § 165.12(6) a sum up to but in no event exceeding an amount equal to 20% of the total proceeds from the Settlement Agreements attributable to Local Governments shall be deposited into the Attorney Fees Account. If the payments from a single year are not enough to fully fund the Attorney Fees Account as provided herein because such payments are made over time, the Attorney Fees Account shall be funded by placing up to, but in no event exceeding, an amount equal to 20% of each payment. A minimum of 80% of the Settlement proceeds attributable to Local Governments shall be paid to each Local Government’s segregated Opioid Abatement Account, which may be expended only for approved uses for opioid abatement as provided in the Settlement Agreements and supporting Memorandums of Understanding. Funds in the Attorney Fees Account shall be utilized to pay the fees, costs, and disbursements of counsel to a Local Government. The Attorney Fees Account shall be further split and attributed among the Local Governments according to the allocation percentages set forth on Exhibit A and counsel shall make application, and receive payment, only on the allocations within the Attorney Fees Account attributable to its clients. The parties shall cooperate in the appointment of a Special Master in the event of any disputes. Any amounts paid counsel from the national fee fund established in the Settlement Agreements and allocable to the Local Government will be deducted from the Attorneys’ Fees Account so that no counsel to the Local Government may recover more than their fee contract with the Local Government. Any excess amounts remaining in the Attorney Fee Fund after funds have been allocated and paid to counsel shall revert back to the Local Governments and the escrow agent shall allocate such sums to Local Governments based on the allocation set forth on Exhibit A, which assigns each Local Government a percentage share. Counsel may make application for payment from the Attorney Fees Account at any time and the Local Governments shall cooperate with counsel in executing any documents necessary for the escrow agent to make payments out of the Attorney Fees Account.
3. Opioid Funds shall not be considered funds of the Local Government unless and until such time as an allocation is made to the Local Government following funding of the Attorney Fees Account as provided in Paragraphs 2 above.
4. The Escrow Agreement shall allocate Opioid Funds as follows: (i) 30% to the State of Wisconsin (“State Share”); (ii) 56% to Local Governments (“LG Share”); and (iii) 14% to the Attorney Fees Account.
5. The LG Share shall be paid to each Local Government by the Escrow Agent based on the allocation created and agreed to by the Local Governments and attached hereto as Exhibit A, which assigns each Local Government a percentage share of the LG Share.

6. Nothing in this MOU is intended to alter or change any Local Government's right to pursue its own claim. Rather, the intent of this MOU is to provide a mechanism for the receipt and expenditure of Opioid Funds.
7. This MOU may be executed in counterparts. Electronic signatures shall in all respects be considered valid and binding.

IN WITNESS WHEREOF, the parties hereby execute this MOU as of the date set forth below.
