CJCC Meeting Minutes

The Criminal Justice Collaborating Council met in Room 240 of the Ozaukee County Justice Center on Monday November 13th at 1:30pm.

Coordinator Report:

Skipped for this meeting.

Financial Report:

There was some confusion on how much money is left in the CJCC funds. The Health Department is looking into it. It was advised but the Business Manager of the health department to only vote for one proposal until we can figure out exactly how much CJCC has to spend.

There was a lot of discussion around Narcan Direct. The health department received only 30 of their 80 cases that they applied for. This means that they need to save their cases for community members and need to figure out another way to help law enforcement get Narcan. Narcan is a priority of everyone on the committee, so it was agreed upon that we would continue to look at the Narcan proposal. Another meeting was set up to discuss Narcan more and then vote on the proposal.
