OZAUKEE COUNTY BOARD

RESOLUTION NO. 24-27

2025 BUDGET

RESOLVED, by the Ozaukee County Board of Supervisors, that the following Budget for 2025 be approved and adopted:

The amounts listed in this resolution are the totals of line-items reflected in the 2025 Proposed Budget document as amended by the Executive Committee, which is hereby adopted by reference.

Dated at Port Washington, Wisconsin, this 6th day of November 2024.

SUMMARY: 2025 Budget

VOTE REQUIRED: Majority

EXECUTIVE COMMITTEE

Executive Committee
AGENDA INFORMATION SHEET

AGENDA DATE:	November 6, 2024
DEPARTMENT:	Administrator
DIRECTOR:	Jason Dzwinel
PREPARER:	Jason Dzwinel

Agenda Summary 2025 Budget

BACKGROUND INFORMATION: This resolution approves the 2025 Ozaukee County Budget as recommended by the Executive Committee.

ANALYSIS: Please see the 2025 County Administrator's Executive Committee Budget Memo for details. The full 2025 Ozaukee County Budget can be found at the following link:
<https://www.ozaukeecounty.gov/DocumentCenter/View/25679/2025-RECOMMENDED-BUDGET?bidId=>

The Executive Committee's Recommended Budget increases in the tax levy from the Approved 2025 Budget by \$591,316 or 2.66%. These \$591,316 of additional funds will be supported by the allowable tax levy increase for 2025 under the State of Wisconsin's net new construction formula of \$257,907, in addition to, \$333,409 of net new construction that was unused in the 2024 budget.

The net impact of the \$591,316 tax levy increase recommended will increase the 2025 tax levy by 2.66% and decrease the proposed tax rate by \$0.05.

The table below compares the Executive Committee's Recommended Budget from 2024 to 2025

EXECUTIVE COMMITTEES RECOMMENDED BUDGET

	2024	2025	+/- \$	+/- %
TOTAL TAX LEVY	\$22,948,000	\$23,579,345	\$631,345	2.75%
COUNTY TAX LEVY	\$22,227,270	\$22,818,586	\$591,316	2.66%
LIBRARY LEVY	\$720,730	\$760,759	\$40,029	5.55%
TOTAL TAX RATE	\$1.52	\$1.47	(\$0.05)	-3.04%
COUNTY TAX RATE	\$1.30	\$1.25	(\$0.05)	-3.63%
LIBRARY TAX RATE	\$0.22	\$0.22	\$0.00	0.47%

RECOMMENDED MOTION: The Executive Committee respectfully requests that the County

Board approved the 2025 Ozaukee County Budget as presented.

2025 Budget Message

www.co.ozaukee.wi.us

October 28, 2024

Dear Members of the Ozaukee County Board:

Below you will find analysis of the Executive Committee's Recommended Budget.

The Executive Committee's Recommended Budget increases in the tax levy from the Approved 2024 Budget by \$591,316 or 2.66%. These \$591,316 of additional funds will be supported by the allowable tax levy increase for 2025 under the State of Wisconsin's net new construction formula of \$257,907, in addition to, \$333,409 of net new construction that was unused in the 2024 budget.

The net impact of the \$591,316 tax levy increase recommended will increase the 2025 tax levy by 2.66% and decrease the proposed tax rate by \$0.05.

The table below compares the Executive Committee's Recommended Budget from 2024 to 2025

EXECUTIVE COMMITTEES RECOMMENDED BUDGET

	2024	2025	+/- \$	+/- %
TOTAL TAX LEVY	\$22,948,000	\$23,579,345	\$631,345	2.75%
COUNTY TAX LEVY	\$22,227,270	\$22,818,586	\$591,316	2.66%
LIBRARY LEVY	\$720,730	\$760,759	\$40,029	5.55%
TOTAL TAX RATE	\$1.52	\$1.47	(\$0.05)	-3.04%
COUNTY TAX RATE	\$1.30	\$1.25	(\$0.05)	-3.63%
LIBRARY TAX RATE	\$0.22	\$0.22	\$0.00	0.47%

EXPANSION REQUESTS

The Executive Committee did approve five expansion request and will consider an additional expansion request from the Medical Examiners Office. Each approved expansion request will have no impact on the property tax levy in 2025.

1. *Part-Time WIC Position - Public Health Department:* This position is fully funded by revenue from the State of Wisconsin. The new position will assist with increasing caseloads in the WIC program. The cost of the position is approximately \$35,000.
2. *Upgrade GIS Tech position to a Conservation Biologist - Parks and Planning Department:* The incumbent has assumed many of the duties of the Conservation Biologist in their current role and this reflects the results of a job analysis. The upgrade will total an increase of approximately \$11,500 in salary and benefits and will be paid for with grant funds from the Planning and Parks budget.

3. *Increase Land and Water Office Administrator position to full-time to support the Land Information Office:* Both the Land and Water and Land Information Office had separate requests for new positions. Given the budget challenges the two departments worked together to find funding to increase their current position to full-time by reallocating some expenses between the two departments. The impact of moving the position from part-time to full-time is approximately \$47,000 and has no impact on tax levy.
4. *Creation of Full-time Information Technology Tech Position - Lasata Campus and Information Technology Department:* This is a new position in Information Technology that will primarily support the infrastructure at the Lasata Campus. The \$83,000 of salary and benefits will be paid for by Lasata revenues and from savings achieved by eliminating a contracted employee currently working in Information Technology.
5. *Increasing Night Shift premium by \$2.00 per hour – Highway Department:* The impact of this increase in \$8,000 and will be funded by assuming savings from known retirements in the department.
6. *Creation of a Full-Time Chief Deputy Medical Examiner Position – Medical Examiner's Office:* Upgrading the 0.80 FTE Deputy Medical Examiner to a 1.0 FTE Chief Deputy Medical Examiner funded with a transfer of budgeted per diem for on call staff to the Chief Deputy salary and benefits. The impact of moving the position from part-time to full-time is approximately \$21,000 and has no impact on tax levy.

FACTORS IMPACTING THE 2025 BUDGET

There are two significant facts impacting the 2025 County Administrator's Recommended Budget. One, the increasing costs of placements in the Human Services Department and a corresponding decrease of revenues from the State of Wisconsin. Two, sales tax collections which will be allocated as a revenue to decrease the property tax levy for 2025.

Human Services 2025 Budget

The Human Services Department (combined department with ADRC and Aging) 2025 Current Service Level Budget as presented by the department would have resulted in a \$2,408,668 increase in tax levy over the 2024 Adopted Budget. The 2024 budget included \$292,000 use of reserves (fund balance), to decrease the 2024 tax levy. The 2025 budget does not include this revenue. In addition, the 2024 budget assumed a Vacancy and Turnover (VAT) factor of \$250,058. The VAT is a budget assumption that the total budgeted amount of salaries and benefits for Human Services staff budgeted for the twelve month financial plan will not be expended in total due to vacancy and turnover of staff in the department.

Aging Services briefly housed the Adult Protective Services (APS) program in the 2024 budget. The tax levy for this program was \$722,478 in 2024. After the budget was moved back to Human Services in 2025 the tax levy is now requested at \$939,023. The increased tax levy amount is \$216,545. Most of this increase is attributable to increases in the costs of Community Based Residential Facility placements of, \$196,000 and increases in salaries and wages.

The Economic Support Division has a loss of around \$200,000 in Intergovernmental Revenue, from

the unwinding of COVID related Medicaid funds and this is replaced by tax levy in 2025. Expenditures (mostly Salaries and Benefits) increase by about \$70,000. Net tax levy impact in this division is about \$270,000.

The Children, Youth and Families Division tax levy increases by \$882,525 or 60% from last year. Group Home costs increase by \$375,000. Residential Care Center costs increase by \$300,000, and Juvenile Correctional Institutional Placement increases by \$85,000. Revenues in the division are down slightly. Salaries and Benefits are up about \$100,000.

Sales Tax Estimates 2025

The 2024 budgeted sales tax revenues total \$ 11,677,265. The Wisconsin Counties Association (WCA) estimate for 2025 is forecasted at \$12,082,013. The 2025 budgeted sales tax recommendation assumes the WCA estimate of \$12,232,000, an increase of \$554,735. Sales tax collections YTD are \$100,000 over budget through July and historically fare better in the latter half of the year. The chart below shows historic collections from 2015-2023 and estimated revenues for 2024 and 2025.

DEPARTMENTAL HIGHLIGHTS BY COMMITTEE

Finance Committee

The Corporation Counsel and Child Support budget for 2025 increases the tax levy by \$39,679 or 8%, primarily due to rising salary and health insurance costs. In contrast, the County Clerk's Office has decreased its tax levy by \$34,675 or 4.38%, thanks to lower costs associated with the printing of ballots local elections as there is no presidential or gubernatorial elections in 2025. Neither

department submitted any expansion requests.

The Department of Administration also experiences an increase in its tax levy by \$136,141 or 6.3%. Salaries and benefits constitute 90% of this budget, the increase reflects regular Cost of Living Adjustments (COLA) and step increases. Notably, there are no expansion requests for the Department of Administration (which includes the County Administrator's Office, Human Resources, and Finance).

For the Treasurer's Office, the tax levy sees an increase of \$24,223 or 24%. This increase is driven by higher expenditures for salaries and benefits and a \$10,000 reduction in revenue for the Agricultural Use Penalty. The Agricultural Use Penalty is a charge for landowners for converting agricultural land to a non-farm use (residential, commercial or industrial). The charge is based on the difference between the average market value of cropland in the county and the use value of the land. Salaries and benefits increase by 6% in the Treasurer's Office.

Radio Services shows a decrease of \$68,026 or 11%, due to the elimination of a contracted position that has completed a radio system programming project. The Information Technology Fund operates without tax levy support, relying on user fees from other departments. Expenses for IT services have grown by 11% due to the evolving technological needs of the county, primarily in the areas of maintenance and security contracts. The department continues to manage increased costs tied to its Microsoft 365 contract and other purchased services. There is an expansion request in the IT Department for a new Help Desk position shared between the Lasata Care Center and the IT Department. This new position will not have a levy impact as it will be supported by revenue from the Lasata Campus and a portion of funds set aside from the elimination of the contracted position.

Human Services Committee

Turning to the Human Services Department, the 2025 budget recommendation includes a substantial tax levy increase of \$1,238,636 over 2024. As discussed above, key drivers include the transfer of the Adult Services Program back to the Behavioral Health Division, the removal of reserves from the previous budget, and an overall increase in salary and benefit costs. The original request was more than a \$2,400,000 increase over 2024. The recommend budget does include \$280,000 in service expense reductions in Child Protective Services, Youth Justice, Foster Care and Crisis. In addition, five open positions will remain unfilled in 2025 saving \$526,000 and the remainder will be made up with a VAT assumption. This VAT assumption will require continual management of staff productivity, revenue reimbursement and restructuring of open positions. The fund balance as of 2023 in Human Services totals more than \$850,000, which will guard against the aggressive VAT assumption.

The Lasata Senior Living Campus continues to operate without tax levy support, with balanced budgets across its facilities. The Lasata Care Center benefits from a favorable Medicaid rate increase of 35%, allowing it to avoid financial support transfers from other Lasata facilities and even contribute to the General Fund. The Lasata Campus will contribute \$100,000 of excess revenues to the General Fund to offset the property tax levy. The Lasata Crossings and Lasata Heights similarly maintain balanced budgets, with occupancy rates remaining strong, and no major transfers to the Care Center are required in 2025. The only expansion request in this area involves increasing a Dietitian's hours.

For the Public Health Department, the budget holds the tax levy flat for 2025, except for an increase of \$6,586 for the Criminal Justice Collaboration Council. The department also requests an expansion request of a part-time WIC Nutritionist due to growing caseloads and increased demand for services.

Natural Resources Committee

In the Land and Water Management department, the tax levy increases by \$87,229 or 12.4%, primarily due to a reduction in revenue linked to the expiration of the Demonstration Farm Grant. The department's one expansion request is to convert a part-time office administrator role into a full-time position, at a cost of \$45,000.

The Planning and Parks Department sees a tax levy increase of \$94,826 or 8.31%, driven by rising operating expenses and declining revenues. The additional costs of operating new parklands and parks infrastructure totals more than \$50,000 in 2025. This increase is recommended to be offset by increasing the Golf Course payment to the parks to \$140,000 in 2025, a \$50,000 increase. However, its one expansion request, an increase to a GIS Technical position, is expected to be offset by increased revenues. Meanwhile, the Golf Courses maintain financial stability without the need for tax levy support.

The Register of Deeds/Land Information Office revenues will reduce the tax levy by \$460,460, thanks to strong revenue performance in recent years, and an assumption that interest rates will continue to decrease opening the door to home mortgage refinancing in 2025. Salary and Benefit expenditures are rising slightly, which reduce total departmental revenues by \$41,560.

Public Works Committee

The Facilities budget sees tax levy increases in both the Justice Center and the Administration Center Building, largely due to rising health insurance and salary costs.

The Highway Department budget remains flat, with no expansion requests approved for 2025. This flat budget recommendation is a reduction of \$607,000 of the departmental tax levy request in County Roads in Bridges Fund. The recommendation includes a delay of a county highway project in 2025, with a direction to the Highway Department to secure additional town work (summer or winter), state projects or work with Planning and Parks. Planning and Parks has secured grant funds for the CTH W project in Saukville and has a new grant for Sucker Creek that assumes \$2,400,000 in Highway work through the life span of the project. A portion of the Sucker Creek work will be done in 2025.

In Transit the requested 2025 tax levy increase of \$150,603 has been eliminated. In 2025 the county will move from urban to rural funding from the Federal Transit Authority, the full financial impact of this is an unknown. The recommendation is to not increase the tax levy in 2025 for two reasons. One, in 2021 the county budget set aside \$200,000 of tax levy that was allocated to Express Bus Operations in the Project Fund when the bus was operated using CARES/ARPA funds. Two, the Transit fund has a fund balance of \$2,200,000.

Public Safety Committee

In the Public Safety area, the Clerk of Courts requested a tax levy increase of \$110,544 or 11.4%, largely driven by increases in salaries and benefits. This increase has been eliminated in the 2025 recommended budget. The Wisconsin Counties Association has made court funding its primary lobbying request of the State of Wisconsin in 2025-2027 state budget. Despite the fact that the courts are a state operation, the amount of county support to the court system has increased incrementally for many years. Statewide the revenues from the State of Wisconsin totaled less than 20% of the total cost of court operations. In addition, only 22% of fines and forfeitures collected by the circuit courts are returned to counties.

The District Attorney's Office experiences similar salary and benefit pressures, with a 12% increase in its tax levy due to rising personnel costs. The department has requested an additional part-time position in the Victim Witness program due to the increasing workload required by the implementation of Marsy's Law.

Finally, the Sheriff's Office sees a 3.68% tax levy increase, or \$572,000, with the bulk of the increase attributed to salaries and benefits. The initial budget submitted by the Sheriff's Department did not fund five Dispatcher positions. The recommended budget removes funding for an additional three Dispatcher positions saving \$211,000. The Sheriff's Department is currently approved to fill 28 Dispatcher positions in the County Policy Procedure Manual. This recommendation would fund 20 Dispatcher positions in 2025. Based on an analysis of hours worked in the Dispatch Center from 2022, 2023 and YTD 2024 including, compensatory time and overtime earned, field training, holiday worked, regular time, sick, vacation and special assignment time, the hours total 15 FTE in 2022, 18 FTE in 2023 and an estimated 18.5 in 2024 (9.8 YTD). This recommendation will not limit hiring to more than 20 Dispatchers, the intent is not to impact operations, but is a budgetary assumption. In addition, the recommended budget removes funding a five year taser lease and recommends funding year by year a \$96,000 decrease.

The Sheriff's Department has submitted two expansion requests: repainting the Emergency Management Rescue Boat and expanding services for jail court transfers, both of which were requested in prior budgets. The repainting of the Emergency Management Rescue Boat will be handled by 2024 budgeted funds.

RESOLUTION NO. 24-28

AMENDING CHAPTER 3 OF THE OZAUKEE COUNTY POLICY AND PROCEDURE
MANUAL - PERSONNEL CHANGES APPROVED IN THE 2025 ADOPTED BUDGET

RESOLVED, by the Ozaukee County Board of Supervisors, that Chapter 3 of the Ozaukee County Policy and Procedure Manual be amended, effective January 1, 2025, to read:

Current Job Title	Department	Division	FLSA	Grade	Head Count	FTE
CSU Corporal	Sheriff	Court Services	Non-Exempt	Union	1	1
CSU Re-Entry Deputy	Sheriff	Court Services	Non-Exempt	Union	1	1

SUMMARY: Chapter 3 of the Ozaukee County Policy and Procedure Manual pertaining to positions and pay grades is amended.

VOTE REQUIRED: Majority

Dated at Port Washington, Wisconsin, this 6th day of November 2024.

EXECUTIVE COMMITTEE

Executive Committee
AGENDA INFORMATION SHEET

AGENDA DATE:	November 6, 2024
DEPARTMENT:	Human Resources
DIRECTOR:	Chris McDonell
PREPARER:	Chris McDonell

Agenda Summary Amending Chapter 3 of the Ozaukee County Policy and Procedure Manual - Personnel Changes Approved in the 2025 Adopted Budget

Sheriff's Office Union Personnel

The union positions have historically been included in our P&P Chapter 3. However, since the wage study did not include union positions, they were not included when the new wage scale was implemented on January 1, 2023. HR would like to include them again in Chapter 3.

IT Support Specialist

The Information Technology Support Specialist provides effective support for Ozaukee County Lasata Senior Living Campus hardware assets and software including vender coordination and support. Also provides similar support as requested to all County Departments.

Office Administrator

In 2024, the County Board approved the addition of a part-time Office Administrator position, with responsibilities including clerical tasks, public engagement, customer service, tracking and filing, depositing checks, processing mail, assisting customers with basic mapping related to shoreland and floodplain boundaries, and managing Minutetraq documents. This role was filled in June 2024 by our zoning and sanitation intern. For 2025, I propose expanding this position to full-time. The current employee has pursued additional training and certification in zoning code, POWTS maintenance, and ArcGIS Pro, which would significantly benefit our department. In the expanded role, the position would include reviewing, accepting, and filing zoning permits, reviewing POWTS plans, and assisting in maintaining our mapping layers in ArcGIS Pro, which are published live to the public through our website. The Land and Water Management (LWM) department has expressed their appreciation for the contributions of the part-time Office Administrator, particularly in maintaining organization of permits and deposits. Given the budget constraints this year, Land Information (LI) has proposed sharing the position between both departments. LWM has requested 0.5 FTE, while LI has requested 1 FTE, resulting in a shared full-time position with benefits. The additional 16 hours per week would be billed under LI, and LWM would still benefit from shared use of GIS tools. Workstations and licenses are already in place, and costs could be shared between the two departments. This arrangement also aligns with the employee's career growth, as they have recently graduated and completed their POWTS inspector training. With a potential retirement in our department on the horizon, this proposal

would help retain a skilled and knowledgeable employee for future needs.

Conservation Biologist

This request seeks to upgrade the Natural Resources and GIS Technician position to a Conservation Biologist. The staff member in this role has consistently exceeded expectations for several years and is already performing many of the Conservation Biologist's duties. She holds a Bachelor's degree from UW-Madison and has several years of experience with the department, focusing on fieldwork, GIS, technical analysis, and reporting. In addition to her regular duties, she has provided critical support to the Conservation Biologists while managing an increased workload. Starting as an intern, she has advanced within the department, continually exceeding performance standards. She has taken on responsibilities aligned with the Conservation Biologist role, including technical and ecological analysis, report writing, advanced grant writing, and fieldwork proficiency. The budgetary impact of upgrading this position from PG 11 to PG 12 is less than \$12,000. This increase will be fully covered by secured grants (USFWS, NOAA, WCMP, and USFS) within the Ecological Division (both terrestrial and fisheries), which she has played a key role in securing. This upgrade will help retain her expertise, dedication, and experience, recognizing the value she brings to the department.

Rehab Nurse Liaison, Nursing Supervisor, Infection Control Preventionist

Based on current duties, these positions are being moved from non-exempt to exempt.

Dietitian

This position was increased to full-time.

WIC Nutritionist

One of the Public Health Department's 6 top priorities in our current strategic plan is to improve access to services. An additional WIC Nutritionist (24 hours per week) would allow our department to add an additional Nutritionist to our full clinic where it is currently understaffed. Which will improve access to appointments for our WIC families. Our department is also heavily focused on quality improvement as a result of our 140 review with DHS and this expansion was identified as an opportunity for improvement based on our most recent time studies, completed by our WIC staff.

Highway Night Shift Differential

In the chapter 3 Wage differential section, Highway pays night shift employees an additional \$1/hour while they're working over winter. Based upon discussions with staff and other highway departments, Interest in increasing the night shift premium to \$3/hour has arised.

ADRC Specialist, ADRC Supervisor, Jail Behavioral Health Specialist, Assessment and Referral Supervisor, Community Recovery Support Supervisor

Title change only.

School Social Work Liaison to Youth Justice Worker

Downgrade of our current School Social Work Liaison to a Youth Justice Worker. The employee did not spend enough time in schools to justify the position title of School Social Work Liaison, and other Youth Justice Workers also provide support to the schools.

HS Compliance and Communication

This position has been identified as a budget savings opportunity by reducing the annual hours from 2080 to 1040. Due to the reduction in hours, the position must change to non-exempt.

RESOLUTION NO. 24-29

AMENDING CHAPTER 3 OF THE OZAUKEE COUNTY POLICY & PROCEDURE
MANUAL - 2025 BUDGET WAGE INCREASES

RESOLVED, by the Ozaukee County Board of Supervisors that Section 3 of the Ozaukee Policy & Procedure Manual be amended, effective January 1, 2025, to read:

Grade	Step 1	Step 2	Step 3	Step 4	Step 5	Step 6	Step 7	Step 8	Step 9	Step 10	Step 11
23	\$76.25	\$78.37	\$80.49	\$82.60	\$84.72	\$86.85	\$88.96	\$91.08	\$93.20	\$95.31	\$97.43
22	\$70.74	\$72.70	\$74.68	\$76.64	\$78.60	\$80.56	\$82.53	\$84.50	\$86.46	\$88.43	\$90.39

SUMMARY: Chapter 3 of the Ozaukee County Policy & Procedure Manual as it relates to county wage scales is amended.

VOTE REQUIRED: Majority

EXECUTIVE COMMITTEE

Executive Committee
AGENDA INFORMATION SHEET

AGENDA DATE:	November 6, 2024
DEPARTMENT:	Human Resources
DIRECTOR:	Chris McDonell
PREPARER:	Chris McDonell

Agenda Summary Amending Chapter 3 of the Ozaukee County Policy & Procedure Manual - 2025 Budget Wage Increases

BACKGROUND INFORMATION: The 2025 Budget assumes a 3.0% wage increase effective January 1, 2025, for all non-represented employees.

ANALYSIS: Eligibility for the wage increase will require each non-represented employee or employee class to meet the performance measures based on the requirements of the position established during the 2024 review of performance.

FUNDING SOURCE: Tax levy and other non-levy revenues

RECOMMENDATION MOTION: Move to approve the 2025 Budget Wage Increase Resolution.

RESOLUTION NO. 24-30

2025 COUNTY TAX LEVY AND RATE

RESOLVED, by the County Board of Supervisors of Ozaukee County, Wisconsin, that the following sums of money be raised for the ensuing year, 2025 taxes:

STATE TAXES (FORESTATION TAX).....	\$0.00	\$0.00
COUNTY TAXES:		
State Charitable Penal Charges	88.54	
Federated Library System	760,759.00	
Town Bridge Aid.....	184,486.00	
All Other County Taxes	22,818,497.46	\$23,763,831.00
	<u>\$23,763,831.00</u>	<u>\$23,763,831.00</u>

FURTHER RESOLVED, that the following be the rate per \$1,000.00 of equalized valuation on the various taxes:

State Tax	\$0.0000
Federated Library System	0.22007
Town Bridge Aid	0.04802
All Other County Taxes	1.25121
TOTAL	<u>\$1.51931</u>

FURTHER RESOLVED, that the sum of \$760,759, the amount approved for the budget of the County Library System, be and hereby is levied against all taxable property in the townships, excluding the Town of Grafton, excluding the Villages of Bayside, Grafton, Saukville and Thiensville, and excluding the Cities of Cedarburg, Mequon and Port Washington.

FURTHER RESOLVED, that the sum of \$184,486, the amount approved for the budget of the Town Bridge Aid, be and hereby is levied against all taxable property in the townships of Belgium, Cedarburg, Fredonia, Grafton, Port Washington and Saukville: and

FURTHER RESOLVED, that the County Clerk and the County Board Chairperson shall, pursuant to Section 70.63, of the Wisconsin Statutes, determine and apportion within ten (10) days of this date, the tax levy set forth for the respective municipalities, according and in proportion to the valuations for the towns, villages, and cities as submitted by the Wisconsin Department of Revenue.

Dated at Port Washington, Wisconsin this 6th day of November 2024.

SUMMARY: 2025 Ozaukee County Property Taxes and Rates.

EXECUTIVE COMMITTEE

Executive Committee
AGENDA INFORMATION SHEET

AGENDA DATE:	November 6, 2024
DEPARTMENT:	Administrator
DIRECTOR:	Jason Dzwinel
PREPARER:	Jason Dzwinel

Agenda Summary 2025 County Tax Levy and Rate

BACKGROUND INFORMATION: This resolution sets the levy and rate for the taxes levied by Ozaukee County.

ANALYSIS: • The 2025 Budget as recommended by the Executive Committee is a 2.66% levy increase over 2024 for county taxes.

FISCAL IMPACT: • On the average Ozaukee County home, valued at \$450,000, the County Tax Bill will increase \$6.00.

RECOMMENDED MOTION: Approve the 2025 Budget Levy and Tax Rate as recommended by the Executive Committee.

RESOLUTION NO. 24-31

AUTHORIZING CREATION OF JOINT COUNTY LIBRARY PLANNING COMMITTEE

WHEREAS, the Ozaukee County Board has periodically created County Library Planning Committees to prepare five-year service plans under Wis. Stat. § 43.11 for the Monarch Library System, and

WHEREAS, the most recent Library Planning Committee was created by Resolution No. 19-17 which proposed a Five-Year Plan Report that was approved by the County Board on August 7, 2019, and

WHEREAS, it is necessary to create a new Library Planning Committee to prepare the new service plan to guide the System for the next five years;

NOW, THEREFORE, BE IT RESOLVED that the Ozaukee County Board of Supervisors, pursuant to Wis. Stat. § 43.11, create a twelve- (12-) person Joint County Library Planning Committee ("Planning Committee") to consist of the following six (6) persons from Ozaukee County:

- One (1) Ozaukee County Board member from a municipality that has a library;
- One (1) Ozaukee County Board member from a municipality that does not have a library;
- One (1) Ozaukee County resident from a municipality that does not operate a public library;
- One (1) Ozaukee County resident from a municipality that does operate a public library;
- One (1) Library System Board member; and
- One (1) librarian of a public library in Ozaukee County

FURTHER RESOLVED that the Planning Committee also be comprised of six (6) persons of similar composition to be appointed by Sheboygan County.

FURTHER RESOLVED that the director of the Monarch Library System shall be an advisory member of the Planning Committee

FURTHER RESOLVED that the County Administrator shall appoint the Ozaukee County citizen members of the Planning Committee after seeking public input and advice and the County Board Chair shall appoint the Ozaukee County Board members.

FURTHER RESOLVED that Ozaukee County and Sheboygan County shall provide and share all Planning Committee expenses which shall include travel expenses for its members, distribution of meeting notices, recording and distribution of meeting minutes, and such other services as may be needed in an amount not to exceed Five Thousand Dollars (\$5,000.00) to be split equally by Ozaukee and Sheboygan Counties.

FURTHER RESOLVED that the Planning Committee shall review and revise the current library plan, conduct a survey of library services, hold public hearings as necessary, and make a final report with its library plan to the Ozaukee County Board for approval no later than the December 2025 County Board meeting.

FURTHER RESOLVED that the Joint County Library Planning Committee shall come into existence upon Sheboygan County adopting a companion Resolution similar to this resolution.

Dated at Port Washington, Wisconsin, this 6th day of November 2024.

SUMMARY: Creation of a Joint Library Committee

Plymouth Public Library
Sheboygan Falls Memorial Library
Monarch Library System Bookmobile

Introduction

Wisconsin counties are responsible for providing library services to county residents who reside outside of communities that maintain their own libraries. Each of Wisconsin's 72 counties are members of a regional public library system, and the counties and systems work together to develop library service plans that ensure all county residents have access to adequate library services. Chapter 43 of Wisconsin Statutes establishes the state's policy regarding libraries and the responsibilities for counties especially related to county residents living in municipalities without a home library.

In Ozaukee and Sheboygan Counties, a joint county library planning committee is created every five years to develop a joint county plan for library service. The committee works under the guiding principle that all Ozaukee and Sheboygan County residents should have convenient access to high quality library services and should be free to use any public library in the member counties of the library system (Dodge, Ozaukee, Sheboygan, and Washington) and public libraries in most neighboring counties.

The committee considers the needs, resources and services provided to all county residents with special emphasis on those areas without local municipal libraries. The committee provides recommendations to both County Boards on making library services and resources available to all county residents by libraries, on improving the resources and services in the county and the method and level of county library tax to implement the plan.

Wisconsin Statutes on Libraries: Chapter 43

Chapter 43 outlines certain responsibilities for counties, it is important to summarize what that policy is:

- The importance of free access for all Wisconsin's residents to knowledge, information, and diversity of ideas;
- The critical role played by public, school, special, and academic libraries in providing that access;
- The major educational, cultural, and economic asset that is represented in the collective knowledge and information resources at the libraries in Wisconsin;
- The importance of public libraries to the democratic process; and
- The most efficient and effective management of Wisconsin's library resources occurs through resource sharing and collaboration.

Statutory Requirements

Chapter 43.11 specifically addresses the requirements for county library planning. Many issues can be addressed by a county library plan, but the statutes require the plan address the following issues:

- How public library service will be provided to residents of those municipalities in the county not maintaining a public library. (hereafter referred to as non-librariied)
- The method and level of funding that will be provided by the county in order to implement services described in the plan, including the reimbursement of municipal libraries for providing library service to in-county and adjacent county residents. (for purposes of this plan, Ozaukee and Sheboygan counties consider residents of either county as “in-county” residents and reimburse accordingly)
- A method for allocating membership on the regional library system board between the counties in the regional library system.

Joint County Library Planning Committee members - 2021-2025 plan

Ozaukee county members

Donald Dohrwardt	County Board Member – Non-Libraried	Fredonia
Rob Holyoke	County Board Member – Librariied	Thiensville
John Katzka	Library System Board, non-librariied	Cedarburg (Town)
Jon Koepke	Member at Large – non-librariied	Grafton (Town)
Marie McFaul	Member at Large – Librariied	Grafton
Wendy Sprenger	Public Library board – Librariied	Grafton

Sheboygan county members

Keith Abler	County board member – non-librariied	Rhine (Town)
William Goehring	Library System Board Member	Sherman (Town)
Jacob Immel	Member at Large – Librariied	Sheboygan Falls
Jacqueline Rammer	Public Librarian	Random Lake
Sherry Speth	Member at Large – Non-Librariied	Lima (Town)
Thomas Wegner	County Board Member – Librariied	Plymouth

Advisory participants

Jennifer Chamberlain, Monarch Library System, Interim Director
Tyler Quaas, Ozaukee County clerk office

Overview of committee timeline:

December 4, 2019 – Organizational meeting of Joint County Library Planning committee, Lakeview Community Library, Random Lake

January 8, 2020 – meeting at Oscar Grady Public Library, Saukville

February 5, 2020 – meeting at U.S.S. Liberty Memorial Library, Grafton

February 26, 2020 – meeting at Plymouth Public Library, Plymouth

March 2020:

- Prepared draft of 2021-2025 County library plan
- Distributed draft of 2021-2025 County library plan to media, libraries, municipalities, county boards, and other interested parties

April 2020:

- Held public hearing in each county
- Review results of public hearings and revise report if necessary

May 2020 - Presentation to Ozaukee County board & Sheboygan County boards

Review of the 2016-2020 Joint Ozaukee and Sheboygan County Plan and current library services throughout the two counties:

The Joint County Library Planning committee's review of library service in both counties indicates that the 2016-2020 plan has been effective in providing quality library services to all county residents.

All Ozaukee and Sheboygan county residents, regardless of home municipality, have access to libraries throughout the two counties and in Washington and Dodge counties as part of the Monarch Library System. Neither county owns nor operates a public library. Instead, through issuing a county library tax to non-librariied residents, the counties reimburse existing libraries for providing services and collections to residents from areas without a local, municipal library. Residents living in non-librariied areas are welcome to use neighboring municipal libraries in addition to the joint counties' funded Monarch bookmobile that provides collections and services throughout the two counties at 30 designated stops, both residential community locations and at area schools and residential health or retirement facilities.

Reimbursements for usage follow a formula designed to identify a unit cost for circulation of physical materials at each individual library in the two counties. The unit cost is multiplied by the total loans to non-librariied residents in the same year to determine total cost of service to non-librariied residents (county pays percentage of this total cost – Ozaukee: 100% and Sheboygan: 98%).

Total circulation of physical items is declining slightly across the two counties. However, the overall percentage of non-librariied use in relation to librariied resident use remains stable at 31-34% over the past four years.

Conversely, our libraries are experiencing a rise in e-book and e-audio books in the past several years.

Non-librariad use of the e-book and e-audio collections in the county is roughly 23% of overall use by county residents, showing that non-librariad residents are using electronic content proportionately less than they are using physical materials. For the time being, physical material circulation seems to be an accurate indicator of overall library use.

Adult, teen, and children's programming is an area of growth for our county libraries. There is no reliable method for tracking program attendance by municipality residency, so there is not reimbursement specifically tied to program attendance.

	Program Attendance by Library		
	2016	2017	2018
Cedarburg	9,086	11,035	10,843
Grafton	5,584	6,038	5,289
Mequon/Thiensville	7,775	8,942	11,914
Port Washington	11,584	13,268	12,268
Saukville	5,101	5,125	5,723
Cedar Grove	3,618	3,786	3,585
Elkhart Lake	2,224	2,119	1,876
Kohler	1,079	1,008	979
Oostburg	3,553	2,749	2,846
Plymouth	7,524	7,626	8,168
Random Lake	4,748	4,910	4,124
Sheboygan	19,285	28,361	29,726
Sheboygan Falls	3,692	3,350	3,320
TOTAL	84,853	98,317	100,661
<i>change over previous year</i>		14%	2%

Bookmobile services

The Monarch Library System serves as an agent providing bookmobile services for the non-librariied residents of Ozaukee and Sheboygan counties. The bookmobile operations are overseen by a subcommittee of the Monarch Library System board and managed by Monarch Library System administration. As of 2020, 2.68 staff FTE provide a variety of services including: access to local and system-wide collections, customized reserves and holds management, browsing collections for schools and residential communities (senior living, rehabilitation facilities), classroom curricular support, summer reading program for kids and teens, community event programming, and digital access.

On average, the bookmobile circulates over 50,000 items per year. Roughly 1/3 of the items circulated are attributed to Ozaukee non-librariied residents, and 2/3 to Sheboygan county.

The bookmobile owns a circulating collection of over 30,000 items stored in the Monarch Library System offices. The vehicle can hold approximately 5,000 items at any time and the staff rotates materials each week so patrons can browse new items at each visit. The bookmobile is equipped with storage for holds delivery, so patrons may request items from any library in the Monarch system or throughout the state to be delivered at their next local stop. Teachers at several elementary schools and daycares are able to request customized classroom collections to support their curricular needs. The bookmobile has WiFi access so patrons can search digital content, download titles on their smartphone or tablets, or checkout a mobile hotspot to use throughout the week in between bookmobile visits.

The bookmobile stops are split evenly between local community stops that visit residential areas or community hubs, and institutional stops that visit schools, daycares, retirement facilities, and health rehabilitation facilities.

BOOKMOBILE STOPS BY TYPE

Current bookmobile stops are illustrated on the map below:

The bookmobile is financially supported by both counties through an additional allocation of county library tax levy dollars. The unit cost of bookmobile services is on par with county libraries.

The planning committee discussed ways in which the bookmobile might expand services and offerings throughout the two counties. Additional staffing may be required to expand hours.

Operational costs

Ozaukee & Sheboygan libraries range in cost/circ \$2.89-\$6.11

Recommendations for the Joint Library Service Plan 2021-2025

1. Reimbursements for in-county and adjacent county libraries

The committee recommends that each county continue on the path to reach or maintain a 100% reimbursement of actual operational costs for all non-librariied use of both county libraries. This continues the previous committee's recommendation to phase in the reimbursement goal over a period of years. In Sheboygan County, the reimbursement level would increase from 98% in 2020 to 100% in 2022, raising the level 1% each year and then holding at 100% through the duration of the five-year plan (2025). In Ozaukee County, the reimbursement level of 100% in 2020 will be maintained for the duration of the five-year plan. Both counties should continue to reimburse libraries in the reciprocal county at in-county funding levels. Adjacent counties to Ozaukee and Sheboygan will be reimbursed at the state mandated 70% reimbursement for service provided to Ozaukee or Sheboygan county residents.

Monarch Library System will continue to act as a fiscal agent, auditing non-librariied usage and coordinating when possible the reimbursement requests and library payments on behalf of both counties.

2. Bookmobile Services in non-librariied areas of both counties

The committee recommends the continuation of the Bookmobile service to non-librariied areas of Ozaukee and Sheboygan counties and specifies payment for this service on the basis of each county's share of the use of this service (currently 2/3 Sheboygan, 1/3 Ozaukee), averaging the use over the prior three years, and includes funding for replacement of the vehicle.

3. System library board membership

The committee recommends both counties consider representative membership on the Monarch Library System board when making their appointments. Consideration should include a mix of librariied and non-librariied members, as well as members serving on local public library boards.

4. County library operational standards

The committee discussed the benefits and disadvantages of county established operational standards. At this time, the committee does not endorse additional operational standards for the counties' public libraries as criteria to qualify for the exemption from the county library tax. The committee suggests Monarch Library System work in partnership with all county libraries to utilize the 2018 Public Library Standards as developed by Wisconsin's Department of Public Instruction as a toolkit to identify areas of excellence as well as areas for growth.

5. Plan administration

The committee recommends that each county shall enter into an agreement with Monarch Library System to administer this Joint Ozaukee Sheboygan County Library Service Plan or any county library service plan approved by either county for the 2021-2025 plan and for those that follow.

6. Communication

The committee recommends that each county shall encourage all municipal libraries in Ozaukee and Sheboygan counties regularly share information with town and county officials about library use by their constituents. Each county may consider inviting library representatives to present to the county board on an annual basis.

Future Joint County Library Plan – 2026-2030

The committee spent time discussing the impact of increasing e-content circulations and the trends the libraries are seeing in the expansion of these resources and services. There is disparity in the electronic resource offerings at the various libraries, with the exception of resources negotiated at the system-level. One consideration would be to explore ways in which the county library tax could help support additional system-wide or joint county-wide e-content subscriptions to help standardize access for all residents across the two counties. The committee recommends that the next planning cycle conduct a deeper investigation into the usage of e-content and how non-librariad areas circulation relates to librariad use. Future plans may want to identify a reimbursement model that recognizes e-content circulations.

Next Plan Cycle

Before the end of 2024, a joint county library planning committee shall be established by each County Board according to Wisconsin Stat. 43.11 to review and revise the county plan in 2025.

Committee Makeup

This committee should include sufficient members to represent the following demographic factors: librariad residents, non-librariad residents, urban, and rural residents. The committee should be representative of different geographic areas of the counties. The committee should also contain one or more librarians from both counties to provide valuable input on services and collections.

Committee Funding

Each County will appropriate sufficient funds in the 2024 budget to cover the expenses of the committee's work and to conduct surveys of libraries and system residents to gather input on library services.

Plan 2026-2030

A report to each County Board shall be made of the next committee's findings and recommendations by December 2025.

Respectfully submitted on behalf of the committee,

Jennifer Chamberlain
Interim System Director
Monarch Library System

Appendix A

History of County Library Service and Planning

Sheboygan County

The Sheboygan County Plan for Library Service was adopted in 1978 by the Sheboygan County Board. The plan is the work of a 1978 Sheboygan County Library Planning Committee, whose purpose was to establish county library service and to create a library system in Sheboygan County. The Committee reviewed the results of a federally funded countywide library service demonstration project in 1977 and 1978. The County's plan extended library services and bookmobile service for the first time to all residents of the County. Prior to this, libraries extended service through contracts to neighboring townships or through individual fees. In 1986, Sheboygan County amended its ordinance to establish Eastern Shores Library System as a joint agency of Ozaukee and Sheboygan Counties and entered into a new agreement with Eastern Shores Library System.

The 1979 Plan governed countywide library service through 2000. The 1979 Plan did not specify a method or level of funding beyond the first year for countywide library service. Beginning in 1981, the Library System used a method that reflected the use of the libraries by the 31,000+ residents and the operating expenses of the libraries. This method was funded at various percentages of full funding until 1992.

In 1993, a County Library Planning Committee looked at how the libraries were reimbursed for library services, how the county provided funds for county library service and how the library system functioned as the administrator of county library service funding. The Library System and Sheboygan County came to an agreement on funding for the countywide library service and the role the Library System plays in the disbursing county funds for countywide library service. This agreement replaced the countywide library service funding formula that includes library use and expenses as factors. In 1993, the county's funding was \$504,150. For each of the years 1994 to 1996, the County's funding would increase by the Consumer's Price Index (CPI) plus 1 percent. The agreement also affirmed that the Library System is a conduit of county funds to the libraries and only retains county funds for bookmobile service and liability insurance for board members.

In 1996, a County Library Planning Committee looked at how county library service should be funded, what library services should be provided to non-librarians, what should be the allocation of System Board membership and the role of the Library System in county library service. The Committee recommended county funding for library automation, discontinuing bookmobile service, revising the funding formula to reflect library use and library expenses and standards for receiving county library service funds and library system services. However, the County made few changes in county library services. The County increased its funding by 6% to \$600,000 for 1997 and then continued the indexing of the CPI plus 1% for the years 1998 to 2000. It did not support county funding for library automation. It made bookmobile service a responsibility of the library system and it also attempted to establish standards for receiving

county library service funds and library system services. The Library System could not carry out the last recommendation because it was contrary to Wisconsin Statutes.

In 2000, a County Library Planning Committee took a comprehensive approach to the county library service plan. Using guidelines from the recently enacted Act 150 of the Wisconsin Legislature, the Committee addressed all the statutory requirements for a county library service plan: membership on the Library System Board, reimbursement of public libraries serving non-librarians residents, library service to non-librarian residents, improvement of library service county-wide, and contracts for administering the library service plan. The 2001 - 2005 County Library Services Plan established a method to apportion the Library System board members between Ozaukee and Sheboygan Counties, increased the reimbursement of public libraries from 70% to 85%, provided the capital funding for the shared library automation network, increased awareness of library services to the homebound and among home-schooling parents, and contracted with Eastern Shores Library System to administer the County Library Service Plan. This Committee also recommended that in five years a new County Library Planning Committee review and revise the County Library Service Plan.

Meeting in 2004, the County Library Planning Committee made recommendations for a 2006-2010 plan on membership on the Library System, moving the reimbursement level from 85% to 90%, continuing bookmobile service to non-librarian municipalities, approved the role of the library system in the Sheboygan County Detention Center Inmate Libraries, continuing the administration of the plan by the Library System and that a joint county library planning committee be formed with Ozaukee County.

Sheboygan County levies a special county library tax on residents of seventeen towns and villages that do not operate public libraries. The money gathered from this tax is distributed to member libraries and the bookmobile for the library service they give to the 36,000+ non-librarian residents.

Ozaukee County

The Ozaukee County Plan for Library Service was adopted in 1986 by the Ozaukee County Board. The plan is the work of a 1984 - 1986 Ozaukee County Library Planning Committee that reviewed the results of a county library service demonstration project and demonstration of library system services. The plan extended library services and bookmobile service to residents of Ozaukee County municipalities that did not operate a library. The plan extended library system services to all libraries in Ozaukee County. Upon approval of the plan by the County Board and the Department of Public Instruction, Ozaukee County joined Sheboygan County in the establishment of the Eastern Shores Library System, and entered into an agreement with the Library System. This made it possible for municipalities that operated public libraries to authorize their libraries to join the library system. The five public libraries in Ozaukee County became members of the Eastern Shores Library System.

The 1987 County Library Service Plan provided funding for reimbursing libraries that provided library service to residents of the county without a library. It recognized the autonomy of the

public libraries in their operations. It stated that municipalities with libraries would be exempt from the county library tax if they met the exemption criteria. The plan allocated system board membership based upon population. The bookmobile service to non-librariated areas was part of the original plan.

The 2000 - 2005 County Library Services Plan recognized the potential for the efficient and effective use of technology to improve library services countywide. In addition to reimbursing libraries for serving non-librariated residents and bookmobile service, the 2000 Plan provided funding for the capital investment in a shared library automation project among the public libraries in Eastern Shores Library System. This project was implemented in 2001 and is now known as EasiCat. This investment spurred increased use of library services. It also created an increased level of cooperation and collaboration among the public libraries. EasiCat also attracted the interest of Lakeland College, who joined EasiCat in 2002.

In 2004, a County Library Services Planning Committee took a cautious approach in their recommendations for a 2006 - 2010 plan. They recommended maintaining the reimbursement at the 85% level, continuing the bookmobile service for the five year plan, establishing minimum requirements to establish a new public library in a non-librariated municipality, future studies on different county library service organizations, continuing the contract with the Library System to administer the Plan, support legislative efforts to modify the county library tax exemption method, and to create a county library planning committee in 2009. Subsequently this plan was modified by the County Board which changed the method of reimbursement and created a commission that studied different county library service organizations and the exemption method.

Ozaukee County library service is funded by a county library tax levied on the residents of municipalities that do not operate a public library. Thus, those whom receive the county library service pay for the county library service they use. Municipalities that operate public libraries may qualify for an exemption from that county library tax.

Joint Ozaukee & Sheboygan County Library Service Planning

An historic meeting took place on April 23, 2009. Appointees from Ozaukee and Sheboygan County met as a Joint County Library Service Planning Committee. As noted above each county undertook county library service planning independently even though residents of both counties frequently used libraries in the other county. The purpose of the joint committee was to recognize this interaction and to coordinate the county library services available to both counties' residents. It was especially important to coordinate the bookmobile service available to both counties' residents.

The result of the Joint County Library Service Planning Committee was a report to each County Board for a 2011-2015 County Library Service Plan that provided a coordinated approach to funding and providing county library services. The report requested that each county provide the same level of reimbursement to all libraries serving non-librariated residents. The Committee's recommendation was to set a goal of reimbursing the libraries for 100% of their

costs, but to achieve that goal over a number of years. This report advocated for a 90% level of reimbursement over the first two years and then increase the level by 1% each year resulting in a 93% level by 2015. The report also included a proportional method for funding bookmobile service and for the replacement of the vehicle. It also recommended continuing the joint county library planning process in any subsequent county library service planning efforts.

Notwithstanding the Committee's recommendation that both counties adopt the report without substantial changes, Ozaukee County initially adopted a plan that did not provide the same level of reimbursement to libraries serving its non-librariad residents. However, at the end of 2011, the County Board approved a change in the plan to reimburse all libraries at the 85% level. Sheboygan County did adopt the recommendation for reimbursing Sheboygan County libraries at the higher levels of reimbursement, but reimbursed Ozaukee County libraries at the 85% level.

Both Counties adopted the bookmobile service recommendation for proportional funding of the service and replacement. They also adopted the recommendation to continue a joint county library planning process. This historic endeavor demonstrated the collaboration by both counties on services that are desired and needed by their residents.

In 2015, the second joint county library service plan 2016-2020 was developed. This plan continued to increase each county's commitment to reimbursing libraries within their two counties. By 2020, Sheboygan is reimbursing at 98% and Ozaukee has reached 100% reimbursement. Additionally, this plan recommended a reallocation of system board membership to replace two member-at-large positions with library board member positions. The committee considered but did not recommend operational standards for libraries as criteria for county tax exemption, and they did not recommend any crossover borrowing compensation. Bookmobile service continues to be a valuable service to non-librariad residents and the committee recommended that each county fund the program on a basis of each county's share of the use of the vehicle (number of stops in each county), averaging the use over the prior three years, and included funding for replacement of the vehicle.

In January 2017, Eastern Shores Library System merged with Mid-Wisconsin Federated Library System to create the state's first merged system: Monarch Library System. Additionally in spring of 2017, a new bookmobile was purchased. Patrons throughout all four counties have expanded access to collections through this merger.

Due to an unexpected vacancy within the Monarch Library System administration, the planning process for the 2021-2025 plan was delayed until the very end of 2019. The joint county library planning committee for the 2021-2025 plan built upon the success of the existing library services plan and was able to prepare the new plan in a compressed period of time. The 2021-2025 plan recommends the continuation of the existing funding model for bookmobile services and increasing Sheboygan county library reimbursements by 1% each year (99% in 2021, 100% in 2022) until 100% rate is reached, with both Ozaukee and Sheboygan counties holding at a 100% reimbursement rate for the duration of the plan. The committee discussed at length how

the current reimbursement model tied to physical item circulation may become less representative of actual library use, as electronic content usage and program attendance continue to grow at rates faster than physical item circulation. However, since current e-content use by non-librarians is proportional to physical item usage, the current funding model is fair to county libraries. The committee recommends the next planning cycle looks more deeply at e-content use. Additionally, the committee discussed the merits of operational standards, ultimately deciding to not recommend additional county library standards. Lastly, the committee recommended county boards consider inviting libraries to present updates on library services and trends throughout the planning cycle.

RESOLUTION NO. 24-32

SUBMITTAL AND ACCEPTANCE OF A WISCONSIN DEPARTMENT OF NATURAL RESOURCES LAKE MONITORING PROTECTION NETWORK GRANT TO SUPPORT AQUATIC INVASIVE SPECIES VEGETATION MONITORING AND EDUCATION AND OUTREACH ACTIVITIES ON INLAND LAKES, RIVERS AND STREAMS IN OZAUKEE COUNTY

WHEREAS, the Ozaukee County Planning and Parks Department is applying for Wisconsin Department of Natural Resources (WDNR) non-competitive Lake Monitoring and Protection Network grant funding; and

WHEREAS, the primary goal of the project is to fund County and partner activities to monitor aquatic invasive species (AIS) of vegetation and participate in education and outreach activities on inland lakes, rivers and streams in Ozaukee County; and

WHEREAS, financial aid is required to carry out the project; and

WHEREAS, this project is consistent with the adopted *Multi-Jurisdictional Comprehensive Plan for Ozaukee County: 2035*, the adopted *Park and Open Space Plan for Ozaukee County*, the *Land and Water Resource Management Plan for Ozaukee County 2021-2030*, the County Board endorsed *Regional Water Quality Management Plan for Southeastern Wisconsin 2000* prepared by the Southeastern Wisconsin Regional Planning Commission (SEWRPC) and the adopted *Farmland Preservation Plan for Ozaukee County*; and

WHEREAS, the project is also complimentary and consistent with other grant funded projects being implemented within the Fish Passage Program and the overall Ecological Division; and

WHEREAS, the project will support education and outreach programming for landowners and other organizations and municipalities and training of volunteers to conduct monitoring efforts over the long term. In addition, the Department will partner (contract) with the Southeastern Wisconsin Regional Planning Commission to conduct AIS and selective water quality monitoring/surveys on inland lakes and streams/rivers; and

WHEREAS, the Lake Monitoring Protection Network provides annual support to network cooperators (counties) for lake monitoring and AIS prevention activities, with the projected 2025 Ozaukee County allocation of approximately \$11,500 with no required matching funds, but leveraged match will be provided by in-kind Department staff time, travel, supplies, equipment and contractual funds; and

NOW, THEREFORE, BE IT RESOLVED, by the Ozaukee County Board of Supervisors that the Ozaukee County Planning and Parks Department attests to the validity and veracity of the statements and representations contained in the grant application, requests a grant agreement to carry out the project, has budgeted a sum sufficient to fully and satisfactorily complete the project, and authorizes the Director of the Planning and Parks Department to act on behalf of Ozaukee County to sign and submit a WDNR Lake Monitoring Protection Network Grant application, accept and sign a grant agreement between Ozaukee County the WDNR, act as the primary contact on the project, submit interim and/or final reports to the WDNR to satisfy the grant agreement, submit grant reimbursement requests to the WDNR along with necessary supporting documentation, and sign and submit other required documentation and take necessary

actions to initiate, direct, and complete the approved project within the provided funding timeline.

BE IT FURTHER RESOLVED, that Ozaukee County will comply with all local, state and/or federal rules, regulations and ordinances for the program/project and the cost share agreement; may perform force account work; will maintain the completed project in an attractive, inviting, and safe manner; and will maintain complete and accurate project accounting and records according to the WDNR project agreement for these funds; and

BE IT FURTHER RESOLVED, by the Ozaukee County Board of Supervisors that the County Clerk shall forward a copy of this resolution to the Wisconsin Department of Natural Resources.

Dated at Port Washington, Wisconsin, this 6th day of November 2024.

SUMMARY: Submittal and acceptance by the Planning and Parks Department of a Wisconsin Department of Natural Resources Lake Monitoring Protection Network Grant to support aquatic invasive species vegetation monitoring and education and outreach and activities on inland lakes, rivers and streams in Ozaukee County.

DEPARTMENT:	Planning and Parks
DIRECTOR:	Andrew Struck
PREPARER:	Andrew Struck

Agenda Summary Submittal and Acceptance of a Wisconsin Department of Natural Resources Lake Monitoring Protection Network Grant to Support Aquatic Invasive Species Vegetation Monitoring and Education and Outreach Activities on Inland Lakes, Rivers and Streams in Ozaukee County

BACKGROUND INFORMATION: The Ozaukee County - Planning and Parks Department (Department) proposes to submit a grant application to the Wisconsin Department of Natural Resources (WDNR) non-competitive Lake Monitoring and Protection Network (LMPN) Grant Program. Specifically, this grant will fund County activities to survey and monitor aquatic invasive species (AIS) of vegetation and water quality conditions and conduct AIS education and outreach activities on inland lakes, rivers and streams in Ozaukee County. Primary activities would include providing education and outreach programming for landowners and other stakeholder organizations (e.g. homeowners associations) and municipalities (e.g. Village of Thiensville and Grafton) and training of volunteers to conduct monitoring and control efforts in the long term. In addition, the Department will partner (contract) with the Southeastern Wisconsin Regional Planning Commission (SEWRPC) to conduct AIS and selective water quality monitoring/surveys on inland lakes and impoundments. The Department participated in the LMPN program in 2024 and this project is a continuation and expansion of Department efforts to monitor and control invasive species and provide education and outreach programming through the Fish Passage Program and overall Ecological Division. This project is also supported by the [County Park and Open Space Plan <https://www.co.ozaukee.wi.us/645/Park-Open-Space>](https://www.co.ozaukee.wi.us/645/Park-Open-Space) within the standards set for the preservation and management of open spaces including natural areas, critical species habitats, primary and secondary environmental corridors and isolated natural resource areas to maintain their natural value (pages 77 - 92, 111), the [Comprehensive Plan for Ozaukee County: 2035 <http://www.sewrpc.org/SEWRPCFiles/Publications/CAPR/capr-285-comp-plan-for-ozaukee-co.pdf>](http://www.sewrpc.org/SEWRPCFiles/Publications/CAPR/capr-285-comp-plan-for-ozaukee-co.pdf) “Agricultural, Natural, and Cultural Resources Element” with the goals and objectives of the “General Natural Resource Issue” to preserve and enhance Ozaukee County’s natural resources, including Lake Michigan, open space and agricultural land, “Surface and Groundwater Resources and Watersheds Issue” to protect and enhance water quality (page 271) and “Invasive Species Issue” to protect Ozaukee County’s naturally occurring bio-diversity by controlling invasive species (pages 72, 271, 273, 276-277, 283, 287 - 288) the goals and objectives of the [Land and Water Resource Management Plan for Ozaukee County: 2021-2030 <https://www.sewrpc.org/SEWRPCFiles/Environment/LandWaterResourceManagementPla/capr>](https://www.sewrpc.org/SEWRPCFiles/Environment/LandWaterResourceManagementPla/capr)

 <<<https://www.sewrpc.org/SEWRPCFiles/Environment/LandWaterResourceManagementPla/ca-pr-338-OZ-County-Land-and-Water-Resource-Management-Draft.pdf>>> to protect and preserve land and water resources, control invasive species and provide educational programming regarding land and water issues and engaging homeowners on best management practices, including education about invasive species (pages 189-191, 197-201), and recommendations of the [SEWRPC Regional Water Management Plan for Southeastern Wisconsin 2000](#)
 <https://www.sewrpc.org/SEWRPCFiles/Publications/pr/pr-030_vol-03_regional_water_quality_management_plan_2000.pdf>
 <<https://www.sewrpc.org/SEWRPCFiles/Publications/pr/pr-030_vol-03_regional_water_quality_management_plan_2000.pdf>> to develop and implement water quality monitoring programs (pages 99 - 102). This grant opportunity is also identified as an agricultural, natural and cultural resource program available in Ozaukee County to advance the goals of the [Farmland Preservation Plan for Ozaukee County](#)
 <<https://www.co.ozaukee.wi.us/871/Farmland-Preservation-Plan>>
 <<https://www.co.ozaukee.wi.us/871/Farmland-Preservation-Plan>> which includes goals to address invasive species and protect and improve water quality (Appendix J-6, section VI-13 - VI-15).

ANALYSIS: Proposals to the WDNR LMPN grant program are due November 15, 2024. The projected Ozaukee County allocation is approximately \$11,500, and no project match is required, but the Department will leverage in-kind Department staff time, travel, supplies, equipment and contractual funds (e.g., SEWRPC).

FISCAL IMPACT: Balance Current Year: NONE

Next Year's Estimated Cost: NONE (Additional Program Revenue of \$11,500)

FUNDING SOURCE: County Levy: Non-County Levy: X

Indicate source: WDNR LMPN and in-kind Department staff time, travel, supplies, equipment and contractual funds.

RECOMMENDED MOTION: Approve and recommend to the Ozaukee County Board of Supervisors the resolution for submittal and acceptance of a grant by the Planning and Parks Department to the Wisconsin Department of Natural Resources - Lake Monitoring and Protection Network grant program for aquatic invasive species and water quality monitoring and education and outreach activities on inland lakes, rivers and streams in Ozaukee County.

Lake Monitoring and Protection Network ****REV****

The Lake Monitoring & Protection Network (LMPN) provides annual support to Counties and tribes. Counties, tribes, and designated agents perform services and activities to assist in AIS prevention and lake monitoring activities.

ELIGIBILITY

Eligible Counties, tribes, and designated agents.

Tribal governing bodies wishing to participate in the network without a county partner should contact the department for an updated allocation plan on or before June 1 for the following grant cycle.

Designated agents must meet qualifications for eligibility, to be reviewed by the cooperating county:

1. Experience with successful grant or contract administration in the last 10 years.
2. History of satisfactory performance under prior grant agreements or contracts.
3. Able to provide evidence of their ability to competently perform network cooperative services.
4. Eligible to apply for a surface water grant (see [Section 1: Overview](#), *Who is eligible?*).

PREREQUISITES

All applicants must notify the regional AIS Biologist of their intent to participate before Sept. 15 of each year and schedule a pre-application meeting.

New applicants must submit a pre-application with a draft scope of work by Sept. 15.

All final applications are due Nov. 15. This includes an application, scope of work, and an authorizing resolution or substantially similar document demonstrating the approval of the governing board.

FUNDING

Annual funding is allocated to each county based on a statistical model with variables that include resource quantity, resources condition, network activity, and people and economy.

If more than one county partners with the same designated agent, the combined funding allocation will be reflected in a single agreement to the designated agent. Allocations are intended to fund one year of work and may be pro-rated for shorter terms if necessary.

REIMBURSEMENTS

A 90% advance will be issued to the county or their designated agent upon receipt of a fully executed agreement; 10% of the grant award is retained for final payment.

The county or designated agent must submit for final reimbursement within 60 days of the agreement end date using the Grant Payment Request and Worksheet, [Form 8700-001](#), available on the Surface Water Grants website. The completed form should be submitted to the DNRSurfaceWaterGrants@Wisconsin.gov inbox with supporting documentation further described in [Section 8: Reimbursements & Closure](#).

ELIGIBLE PROJECTS

Services and activities to be provided under an agreement created under this program include, but are not limited to, one or more of the following activities:

- Managing and distributing supplies and equipment necessary for network activities.

RESOLUTION NO. 24-33

SUBMITTAL AND ACCEPTANCE OF A WISCONSIN DEPARTMENT OF NATURAL RESOURCES SURFACE WATER MANAGEMENT – SURFACE WATER RESTORATION GRANT TO SUPPORT RESILIENCY AND HABITAT RESTORATION ON MINERAL SPRINGS CREEK

WHEREAS, the Ozaukee County Planning and Parks Department is applying for Wisconsin Department of Natural Resources cost share Surface Water Management - Surface Water Restoration Grant funding under a competitive request for proposals; and

WHEREAS, Ozaukee County, through the Planning and Parks Department, is implementing a comprehensive resiliency and ecological restoration project on Mineral Springs Creek in the City of Port Washington; and

WHEREAS, the primary goal of the project is to fund County activities to conduct streambank and in-stream grading and stabilization, wetland restoration and native vegetation restoration to improve in-stream and riparian fish, avian and wildlife habitat and protect critical infrastructure on Mineral Springs Creek near Oakland Green Park; and

WHEREAS, financial aid is required to carry out the project; and

WHEREAS, this project is consistent with the adopted *Multi-Jurisdictional Comprehensive Plan for Ozaukee County: 2035*, the adopted *Park and Open Space Plan for Ozaukee County: 2035*, the *Ozaukee County Land and Water Resource Management Plan* and the *Ozaukee County Strategic Plan 2020 - 2024*; and

WHEREAS, this project will continue the Planning and Parks Department Ecological Division's goal to reestablish ecological and biological connections in conjunction with protecting and restoring habitat throughout the watershed; and

WHEREAS, the Wisconsin Department of Natural Resources Surface Water Management - Surface Water Restoration grant will provide up to 75% of the total project cost and required matching funds will be provided by a secured National Fish and Wildlife Foundation National Coastal Resilience Fund grant funding; and

NOW, THEREFORE, BE IT RESOLVED, by the Ozaukee County Board of Supervisors that the Ozaukee County Planning and Parks Department attests to the validity and veracity of the statements and representations contained in the grant application, requests a grant agreement to carry out the project, has budgeted a sum sufficient to fully and satisfactorily complete the project, and authorizes the Director of the Planning and Parks Department to act on behalf of Ozaukee County to sign and submit a Wisconsin Department of Natural Resources Surface Water Management - Surface Water Restoration grant application, accept and sign a grant agreement between Ozaukee County the WDNR, act as the primary contact on the project, submit interim and/or final reports to the WDNR to satisfy the grant agreement, submit grant reimbursement requests to the WDNR along with necessary supporting documentation, and sign and submit other required documentation and take necessary actions to initiate, direct, and complete the approved project within the provided funding timeline.

BE IT FURTHER RESOLVED, that Ozaukee County will comply with all local, state and/or federal rules, regulations and ordinances for the program/project and the cost share

agreement; may perform force account work; will maintain the completed project in an attractive, inviting, and safe manner; and will maintain complete and accurate project accounting and records according to the WDNR project agreement for these funds; and

BE IT FURTHER RESOLVED, by the Ozaukee County Board of Supervisors that the County Clerk shall forward a copy of this resolution to the Wisconsin Department of Natural Resources.

Dated at Port Washington, Wisconsin, this 6th day of November 2024.

SUMMARY: Application and acceptance by the Planning and Parks Department of a Wisconsin Department of Natural Resources Surface Water Management - Surface Water Restoration grant to support resiliency and habitat restoration on Mineral Springs Creek.

PREPARER:	Andrew Struck

Agenda Summary Submittal and Acceptance of a Wisconsin Department of Natural Resources Surface Water Management – Surface Water Restoration Grant to Support Resiliency and Habitat Restoration on Mineral Springs Creek

BACKGROUND INFORMATION: The Ozaukee County - Planning and Parks Department (Department) proposes to submit an application to the Wisconsin Department of Natural Resources (WDNR) Surface Water Management (SWM) Surface Water Restoration (SWR) grant program. Specifically, this grant will fund County activities to continue to improve coastal resiliency, corridor habitat restoration, fish passage and in-stream habitat on Mineral Springs Creek (MSC) in the City of Port Washington. Between 2013 and 2017, the Department, City of Port Washington (City), and We Energies worked on several fish passage projects to improve aquatic connectivity on MSC. In late August, 2018, the MSC watershed experienced an intense rainstorm that dropped over 9 inches of rain in portions of the watershed in less than 24 hours, which exceeded the estimated “500-year storm event”, and resulted in a formal disaster declaration from FEMA. The resulting high flow rates in the creek scoured the stream bed causing the bed elevation to drop 2-3 feet downstream of the Ravine Street. This downcutting exposed a sanitary sewer line upstream of Ravine Street. In response, the City installed emergency protection of the utility corridor that consists of sheet pile and concrete that effectively created a dam with more than 2.5 feet vertical drop from the top of the concrete to the downstream water surface during typical flow conditions. This new structure created a major barrier for fish passage and undermined much of the work and investment that was completed to restore fish passage, particularly upstream. Additionally, erosion from that event caused loss of vegetation and bank stability throughout the MSC corridor. To address these problems, the Department secured WDNR Office of Great Waters (OGW) and National Fish and Wildlife (NFWF) National Coastal Resilience Fund (NCRF) grants that supported restoration in an approximately 400 foot reach of channel downstream of Ravine Street including re-grading and vegetation restoration of the steep ravine slopes and instream restoration including placement of stone that can resist movement and improve resiliency during extreme events in a configuration that allowed fish passage past the Ravine Street crossing and emergency utility protection structure. In 2023, the Department also restored portions of Oakland Green Park to native prairie as a buffer to the creek and ravine slopes as part of these initial restoration efforts. However, downstream reaches of MSC continue to actively erode with nearby high-tension power poles, power lines, a sanitary sewer line, and a storm sewer outlet in and near Oakland Green Park that are all at risk from future erosion events as the frequency and magnitude of precipitation runoff increases due to climate change impacts. WDNR SWM SWR, Fund For Lake Michigan (FFLM)

and NFWF NCRF funding will support similar work (e.g., streambank and in-stream grading and stabilization, wetland restoration and native vegetation restoration) adjacent to and within Oakland Green Park and the Mineral Springs Creek environmental corridor (wetland areas), immediately downstream of the restored reach. The WDNR SWM SWR grant will also provide critical match for the NFWF NCRF grant. Project activities align with the Oakland Green Park Master Plan (pending park deed transfer to Ozaukee County) and this project is supported by the [County Park and Open Space Plan <https://www.co.ozaukee.wi.us/645/Park-Open-Space>](https://www.co.ozaukee.wi.us/645/Park-Open-Space) within the standards set for the preservation and management of open spaces including natural areas, critical species habitats, wetlands, primary and secondary environmental corridors and isolated natural resource areas to maintain their natural value (pages 12, 15, 18, 38, 60, 175), the [Comprehensive Plan for Ozaukee County: 2035 <http://www.sewrpc.org/SEWRPCFiles/Publications/CAPR/capr-285-comp-plan-for-ozaukee-co.pdf>](http://www.sewrpc.org/SEWRPCFiles/Publications/CAPR/capr-285-comp-plan-for-ozaukee-co.pdf) related to the importance of aquatic connectivity projects, wetland protection, restoration and enhancement, and natural communities identified as ecological priorities for Ozaukee County (100, 103-104, 107, 282, 563), [the Land and Water Resource Management Plan for Ozaukee County 2021-2030 <https://www.sewrpc.org/SEWRPCFiles/Environment/LandWaterResourceManagementPla/capr-338-OZ-County-Land-and-Water-Resource-Management-Draft.pdf>](https://www.sewrpc.org/SEWRPCFiles/Environment/LandWaterResourceManagementPla/capr-338-OZ-County-Land-and-Water-Resource-Management-Draft.pdf) related to the protection and preservation of land and water resources including protecting and enhancing wetlands and stream corridors (pages 23, 109, 136-137, 144, 189-190, 197, 219, 243-247), and the County Strategic Plan 2020-2024 [2020-24 <https://www.co.ozaukee.wi.us/DocumentCenter/View/14493/Ozaukee-County-Strategic-Plan-2020-24>](https://www.co.ozaukee.wi.us/DocumentCenter/View/14493/Ozaukee-County-Strategic-Plan-2020-24) (pages 10, 11, 13) related to the enhance quality of life assets strategic goal.

ANALYSIS: Full proposals for the WDNR SWM SWR grant are due November 15, 2024. The WDNR SWM SWR grants cover up to 75% of project costs with a funding cap of \$25,000. Project match (\$8,333) will be provided by the secured NFWF NCRF grant for a total project cost of \$33,333.

FISCAL IMPACT: Balance Current Year: NONE

Next Year's Estimated Cost: NONE (Additional Revenue \$25,000)

FUNDING SOURCE: County Levy: Non-County Levy: X

Indicate source: Pending WDNR SWM SWR and a secured NFWF NCRF grant.

RECOMMENDED MOTION: Approve and recommend to the Ozaukee County Board of Supervisors the resolution for submittal and acceptance of a grant by the Planning and Parks Department to the Wisconsin Department of Natural Resources Surface Water Management - Surface Water Restoration grant program for resiliency, fish passage and habitat restoration activities on Mineral Springs Creek in the City of Port Washington.

Surface Water Restoration

Surface water restoration grants help implement protection and restoration actions. Unlike plan implementation grants, these projects *don't* require a management plan, however, projects shall follow the appropriate NRCS standards published in Appendix E: Surface Water Restoration. Applications shall be submitted with a project design plan.

PREREQUISITES

Eligible organization; see exceptions pertaining to Wetland Incentives below.

Applicants must submit their pre-application by Sept. 15, applications are due Nov. 15.

Restoration projects shall be submitted with a project design plan.

Ordinance development projects require a letter of support from the adopting unit of government

A recorded land use agreement or property manager's letter of intent, if the property is state-owned

Public access is required for projects that enhance in-water habitat.

FUNDING

Grants cover up to 75% of total project costs, \$50,000 for lakes, \$25,000 for rivers.

Wetland incentives are also available: these are not cost-shared; each incentive grant is \$10,000.

REIMBURSEMENTS

One grant advance is available for up to 25% of the total grant award.

A grantee may request up to 4 partial payments overall, no more frequently than one per year.

10% of the grant award is retained until approval of deliverables and reimbursement.

EXAMPLES OF ELIGIBLE SURFACE WATER RESTORATION PROJECTS

Shoreland protection projects must follow applicable standards of [s. ATCP 50](#) and published in the NRCS [Field Office Technical Guide](#) for Wisconsin, Section IV. We included direct links for each practice in [Appendix E: Surface Water Restoration Practice Standards](#).

- | | | |
|--|-----------------------------|--|
| • Critical area stabilization | • Riparian buffers | • Urban pollution and runoff control |
| • Diversions | • Water bar diversion | • Streambank or shoreline protection |
| • Filter strips | • Sediment and water basins | • Impervious area removal within 35 feet of the ordinary high-water mark |
| • Grade stabilization structures on artificial or non-navigable watercourses | • Pervious pavement | |
| | • Rain gardens | |
| | • Vegetation planting | |

In-Water Management projects protect or improve in-water conditions. Eligible activities include the installation of department-approved habitat structures, culvert or road crossing removal or modification and aquatic re-vegetation. For connectivity projects, see [Appendix F: Surface Water Connectivity](#). Other projects are subject to department approval.

Wetland Restoration projects will help restore or enhance a prior converted or existing wetland. Projects must occur on hydric soils and implement the best practices for wetland restoration or enhancement. Projects must follow the [NRCS standards](#) for either [Wetland Restoration \(657\)](#) or [Wetland Enhancement \(659\)](#). Eligible activities included drainage tile disablement, ditch plugs and fills, water level manipulation or vegetation enhancement, but these activities cannot be necessary to achieve mitigation standards. Projects that enhance a lake ecosystem are capped at \$50,000, while projects to benefit rivers are capped at \$25,000.

Wetland Incentives amounting to up to \$10,000 each, with no cost-share required, are available for grantees who have completed a comprehensive land use plan that includes a recommendation for

wetland enhancement or restoration. Activities are the same as those for Wetland Restoration projects, above. **Note:** Comprehensive land use plans are defined by Wisconsin state statute, s. 66.1001 (1) (a). Qualified Surface Water Management Organizations and Nonprofit Conservation Organizations are not eligible for Wetland Incentives.

Ordinance Development projects create local regulations to benefit surface waters. They relate to topics like boating, AIS prevention, wetlands, shorelands, erosion control and others. Eligible activities include development, legal work, facility rental, training for compliance and enforcement, outreach, and assessment of administrative and enforcement capacity. Applications must include a letter of support from the unit of government most likely to implement the ordinance.

CONDITIONS

Locations limited to within 1,000 ft of a lake ordinary high-water mark, a wetland that is part of an aquatic ecosystem, or the greater distance of 300 ft to a river or the landward side of a floodplain.

The grantee shall have control of the property through ownership, easements, deed restrictions, or contracts such that the sites being restored with grant funds remain in conservation use for 20 years. If the project has an operation and maintenance period of more than 10 years and is on land not owned by the grantee, the grantee must enter into a land use agreement with the landowner and record the cost-share agreement at the register of deeds office in the county where the property is located. If property is state-owned, the applicant must have a recorded land use agreement or a letter of intent from the property manager at the time of application.

Streambank or shoreline protection projects may contain structural practices (e.g. rip rap) where the site assessment determines bioengineering and vegetation management will not control erosion. Structural practices must include shoreland habitat restoration following the NRCS [shoreland habitat standard 643A](#). Planting dimensions shall be a minimum of 35 feet deep with an exception for principal structures, extending the entire length of the project or property, save an optional viewing and access corridor, and shall include structurally diverse plantings.

****NEW**** For multi-phased implementation projects that will require activities or funding beyond the scope of the current grant proposal to meet the objectives, in order to maximize ranking [points](#), it is recommended that you provide a [financial plan](#) with your application.

PROJECT DESIGN PLAN

Surface water restoration projects do not require a comprehensive management plan, but they must be appropriate and designed for the site. Be sure to reference relevant NRCS standards in your application. With your application, you must also submit a **project design plan that includes the following elements:**

Project implementation timeline

Establish goals and objectives for the project and outline tasks to accomplish them. Organize the tasks on a schedule, include a timeline indicating start, end, and who will accomplish the task.

Maintenance plan

Describe how the project will be managed to maintain conservation value for a period of 20 years.

Site map

Indicate the location and bounds of the project. "Before" photos of the site are strongly encouraged.

Additional supporting documents (if applicable)

Many of the projects fundable under this section require design; some of them require engineering. You may include additional materials that will help biologists understand what the project will accomplish. Consider including schematics, site plans, a monitoring plan and schedule, landscape designs or vegetation planting lists as appropriate for the project.

GRANT APPLICATION SUMMARY

Project Name: Mineral Springs Creek Resilience and Habitat Restoration
Grant Name/Agency: WDNR Surface Water Management - SWR **CFDA/State ID:**
Department: Planning and Parks
Total Project Amount: \$33,333 **Grant Match Required:** 25%

Mineral Springs Creek Corridor Resiliency Project Area

RESOLUTION NO. 24-34

ACCEPTANCE OF A DONATION OF THE TITLE TO PROPERTIES LOCATED AT 2202 STONECROFT DRIVE (PARCEL ID 160040900000) AND LOT 3 OF CERTIFIED SURVEY MAP #2294 (PARCEL ID 160041200100), PORT WASHINGTON, WI FOR ADDITION TO THE OZAUKEE COUNTY PARK SYSTEM PER §§ 59.52(6)(A) AND 27.065(1)(A) WISCONSIN STATUTES

WHEREAS, the Ozaukee County Planning and Parks Department was contacted by Belgium Farms LLC (Ansay Family), the owner of the approximately 61.05 acre parcel at 2200 Stonecroft Drive (Parcel ID 160040900000) and the approximately 34.93 acre parcel identified as Lot 3 of Certified Survey Map #2294 (Parcel ID 160041200100), both (totaling approximately 95.98 acres) located west and north of Stonecroft Drive in the City of Port Washington, for donation of the title to both properties to Ozaukee County be incorporated into the Ozaukee County Park System; and

WHEREAS, the Ozaukee County Board of Supervisors adopted the *Park and Open Space Plan for Ozaukee County: 2035* on June 1, 2011 (Resolution 11-14); and

WHEREAS, pursuant to Sections 59.69 and 66.1001(4)(b) of the Wisconsin Statutes, the Ozaukee County Board of Supervisors adopted the County comprehensive plan embodied in SEWRPC Community Assistance Planning Report No. 285, *A Multi-Jurisdictional Comprehensive Plan for Ozaukee County: 2035* on April 2, 2008 and subsequent Amendment 2009-01 on May 6, 2009 and Amendment 2013-01 on May 1, 2013, which included incorporation and adoption of the *Park and Open Space Plan for Ozaukee County*; and

WHEREAS, the park and open space plan was to be prepared within the framework of the *Multi-jurisdictional Comprehensive Plan for Ozaukee County: 2035* and is based upon the recommended development pattern set forth in the County comprehensive plan and will refine and detail the park and open space-related recommendations of the County comprehensive plan; and

WHEREAS, the maintenance, acquisition, insurance and development of lands for public outdoor recreation including park and trail acquisition and development is consistent with the adopted *Park and Open Space Plan for Ozaukee County: 2035* and *A Multi-Jurisdictional Comprehensive Plan for Ozaukee County: 2035*; and

WHEREAS, the adopted *Park and Open Space Plan for Ozaukee County: 2035* recommends County acquisition of lands along Ulao Creek and within the watershed to provide for unmet outdoor recreational needs in the Ozaukee County Park System, namely passive, non-motorized recreational opportunities including: limited hunting, fishing, cross-country skiing, snowshoeing, hiking, wildlife viewing and bird watching, restoration and management of the native landscape / natural area / critical species habitat, scientific research, nature-based education, appreciation of coastal resources, enjoyment of Ozaukee County's unique cultural and natural resources and other passive non-motorized outdoor recreational uses; and

WHEREAS, the final draft *Park and Open Space Plan for Ozaukee County (4th Edition)* specifically recommends the acquisition of these parcels for incorporation into the Ozaukee County Park System as part of the Lion's Den Gorge Nature Preserve Project Area; and

WHEREAS, the Ozaukee County Board of Supervisors adopted the Natural Areas and

Critical Species Habitat Protection and Management Plan for the Southeastern Wisconsin Region, SEWRPC Planning Report No. 42, on June 3, 1998 (Resolution 98-10) and adopted the subsequent Amendment (December 1, 2010) on December 7, 2011 (Resolution 11-48); and

WHEREAS, these properties are located at the headwaters of Ulao Creek with a portion of the Ulao Lowland Forest natural area of local significance (NA-3), are within a critical east/west ecological corridor between the Ulao Lowland Forest and Port Washington Clay Banks and Cedar Heights Gorge Natural Areas on Lake Michigan, contain approximately 95.98 total acres including approximately 35.5 acres of wetlands, 20.2 acres of Natural Area (NA-3), 3.8 acres of 100 Year Floodplain, 6.2 acres of Isolated Natural Resource Area and 29.1 acres of Primary Environmental Corridor, where conservation of these areas is consistent and a priority within the adopted *Park and Open Space Plan for Ozaukee County: 2035* and final draft *Park and Open Space Plan for Ozaukee County (4th Edition)*, the adopted *Multi-Jurisdictional Comprehensive Plan for Ozaukee County: 2035*, the *Land and Water Management Plan for Ozaukee County: 2021 - 2030* and the *Natural Areas and Critical Species Habitat Protection and Management Plan for the Southeastern Wisconsin Region* and subsequent Amendment to this plan (December 1, 2010); and

WHEREAS, the *Ozaukee County Strategic Plan 2020-2024* Chapter III Enhance Quality of Life Assets recommends strategies to “Continue to Preserve Environmentally Sensitive Lands and Natural Areas”, “Improve Our Water Quality” and “Develop Recreational and Cultural Destinations for Tourism, Residents and Businesses”; and

WHEREAS, acquisition of lands in the Ulao Creek Watershed is consistent with the County Board endorsed *Regional Water Quality Management Plan Update*, which recommends the protection of these areas, particularly for water quality benefits and improved public access to rivers, streams and lakes; and

WHEREAS, the preservation of these parcels is consistent with other protected lands within the Ulao Creek Watershed, direct Lake Michigan drainage and the Lion’s Den Gorge Nature Preserve Project Area including existing Wisconsin Department of Natural Resources, Ozaukee Washington Land Trust and Milwaukee Metropolitan Sewerage District conservation easements, U.S. Fish and Wildlife Waterfowl Production Area properties and Lion’s Den Gorge Nature Preserve and Clay Bluffs Cedar Gorge Nature Preserve County Parks; and

WHEREAS, the Ozaukee County Planning and Parks Department and its partners have developed a nationally recognized and awarded ecological prioritization GIS tool and a GIS-based fish and wildlife habitat decision support tool (GIS Tools) to prioritize preservation and restoration as well as habitat improvement activities for maximum diversity and species benefit; and

WHEREAS, the nationally awarded Ecological Prioritization GIS Tool identified the parcels as medium to high priority for preservation and restoration; and

WHEREAS, these parcels, along with multiple additional downstream parcels, were identified by the fish and wildlife habitat GIS Tool as a high priority for habitat restoration and downstream parcels were the focus of a large scale, comprehensive ecosystem restoration project along the Ulao Creek corridor supported by federal, state, and local non-profit organization funding that has included stream re-meandering, channel restoration, construction of riffles and pools, wetland creation and enhancements, floodplain reconnection through grading along stream banks and floodplain corridors, invasive plant removal, overall native plant restoration (e.g. native tree planting, native seeding, etc.), installation of fish and wildlife structures, and long

term environmental monitoring including fish, avian, wildlife, and water quality monitoring; and

WHEREAS, the properties are part of two Important Bird Areas, namely, the Ozaukee Bight Lakeshore Migration Corridor and the Harrington Beach-Kohler Andrae Lakeshore Migration Corridor, are part of the National Great Lakes / Lake Michigan Migratory Bird Flyway and are also identified in the *Park and Open Space Plan for Ozaukee County: 2035* as within one of only five Ozaukee County Project Acquisition Areas to be added to the Ozaukee County Park System; and

WHEREAS, there was significant public input and support for adding the properties as part of the Lion's Den Gorge Acquisition Project Area to the Ozaukee County Park System during the development of the *Park and Open Space Plan for Ozaukee County: 2035 and subsequent update*, as the 2020 Public Opinion Survey by UW River Falls shows a majority of Ozaukee County residents (85%) believe preserving open space, protecting natural resources and wildlife habitat should be a high future funding priority for the County; and

WHEREAS, the Ansay Family has been a long-time partner, generous benefactor and has expressed interest and support in donating the two parcels to Ozaukee County for formal addition to the Ozaukee County Park System along with funding to initiate passive recreational use development; and

WHEREAS, the properties will be accessible from Stonecroft Drive and would represent the second publicly accessible parcel on Ulao Creek and the first with access to the Ulao Lowland Forest (Swamp) in the Ulao Creek Watershed; and

WHEREAS, the properties will be managed as part of the Ozaukee County Park System under the Ozaukee County Park System ordinance as a Nature Preserve and also under a permanent conservation easement with the Milwaukee Metropolitan Sewerage District, except for a six-acre exclusion area (for future recreational support infrastructure such as parking); whereby, only passive recreational uses will be allowed such as hiking, birding, fishing, cross country skiing, snowshoeing, wildlife viewing, nature study and limited hunting, and the development of supporting recreational amenities will consist of signage at the property entrance(s), hiking/walking trails, boardwalks, piers, picnic shelter(s), indoor bathrooms/visitor center, a park road and adequate parking within a six-acre Conservation Easement Exclusion Area to support passive recreational public use; and

WHEREAS, inclusion into the Ozaukee County Park System will allow for continued long-term environmental monitoring and study as well as partnerships with local schools, universities and environmental organizations; and

WHEREAS, inclusion of the properties into the Ozaukee County Park System will recognize the important natural, ecological, scenic, and recreational values as relatively natural habitat for plants and animals on the property, to assure that these values will be protected in perpetuity, to protect, enhance and restore fish and wildlife habitat and natural communities on the property, to enhance opportunities for wildlife-based outdoor recreation, allow for limited hunting and to confine the use of the property to activities that are consistent with these goals and objectives in perpetuity; and

WHEREAS, the property also offers high potential for public visitation and ongoing public education and outreach activities due to its location within the Lion's Den Gorge Nature Preserve Project area which includes Lion's Den Gorge Nature Preserve and Clay Bluffs Cedar Gorge Nature Preserve and on the newly designated Wisconsin Shipwreck Coast National Marine Sanctuary; and

NOW, THEREFORE, BE IT RESOLVED, by the Ozaukee County Board of Supervisors, that Ozaukee County accepts the donation of the title to the properties located at 2202 Stonecroft Drive (Parcel ID 160040900000) and Lot 3 of Certified Survey Map #2294 (Parcel ID 160041200100), Port Washington, WI for addition to the Ozaukee County Park System Per §§ 59.52(6)(A) and 27.065(1)(A) Wisconsin Statutes via warranty deed with title policy; and

FURTHER RESOLVED, that the property will be added to and managed within the Ozaukee County Park System as a Nature Preserve entitled “Ansay Nature Preserve” County Park.

Dated at Port Washington, Wisconsin, this 6th day of November, 2024.

SUMMARY: Acceptance of a donation of the title to the properties located at 2202 Stonecroft Drive (Parcel ID 160040900000) and Lot 3 of Certified Survey Map #2294 (Parcel ID 160041200100), Port Washington, WI for addition to the Ozaukee County Park System per §§ 59.52(6)(A) and 27.065(1)(A) Wisconsin Statutes.

AGENDA INFORMATION SHEET

AGENDA DATE:	November 6, 2024
DEPARTMENT:	Planning and Parks
DIRECTOR:	Andrew Struck
PREPARER:	Andrew Struck

Agenda Summary Acceptance of a Donation of the Title to Properties Located at 2202 Stonecroft Drive (Parcel ID 160040900000) and Lot 3 of Certified Survey Map #2294 (Parcel ID 160041200100), Port Washington, WI for Addition to the Ozaukee County Park System per §§ 59.52(6)(a) and 27.065(1)(a) Wisconsin Statutes

BACKGROUND INFORMATION: The Ozaukee County Planning and Parks Department (Department) was contacted by Belgium Farms LLC (Ansay Family), the owner of the approximately 61.05 acre parcel at 2200 Stonecroft Drive (Parcel ID 160040900000) and the approximately 34.93 acre parcel identified as Lot 3 of Certified Survey Map #2294 (Parcel ID 160041200100), both (totaling approximately 95.98 acres) located west and north of Stonecroft Drive in the City of Port Washington, for donation of the title on the properties to Ozaukee County to be incorporated into the Ozaukee County Park System. The Ansay Family has been a long-time partner, generous benefactor and strong supporter of the Ozaukee County Planning and Parks Department programs, projects and activities as well as the Ozaukee County Park System.

The preservation of these parcels is consistent with other protected lands within the Ulao Creek Watershed, direct Lake Michigan drainage and the Lion's Den Gorge Nature Preserve Project Area including existing Wisconsin Department of Natural Resources, Ozaukee Washington Land Trust and Milwaukee Metropolitan Sewerage District conservation easements, U.S. Fish and Wildlife Waterfowl Production Area properties and Lion's Den Gorge Nature Preserve and Clay Bluffs Cedar Gorge Nature Preserve County Parks. The Ozaukee County Planning and Parks Department and its partners have developed a nationally recognized and awarded ecological prioritization GIS tool and a GIS-based fish and wildlife habitat decision support tool (GIS Tools) to prioritize preservation and restoration as well as habitat improvement activities for maximum diversity and species benefit. The nationally awarded Ecological Prioritization GIS Tool identified the parcels as medium to high priority for preservation and restoration (<https://www.ozaukeecounty.gov/DocumentCenter/View/10849/Coastal-Resources-Ecological-Prioritization-Master-Plan---Updated-March-2017pdf>). These parcels, along with multiple additional downstream parcels, were also identified by the fish and wildlife habitat GIS Tool (<https://www.ozaukeecounty.gov/DocumentCenter/View/9800/Fish-and-Wildlife-Habitat-Decision-Support-Tool-Reportpdf>) as a high priority for habitat restoration and downstream parcels were the focus of a large scale, comprehensive ecosystem restoration project along the Ulao Creek corridor supported by federal, state, and local non-profit organization funding that has included stream remeandering, channel restoration, construction of riffles and pools, wetland creation and enhancements, floodplain reconnection through grading along stream banks and

floodplain corridors, invasive plant removal, overall native plant restoration (e.g. native tree planting, native seeding, etc.), installation of fish and wildlife structures, and long term environmental monitoring including fish, avian, wildlife, and water quality monitoring.

The properties are also part of two Important Bird Areas, namely, the Ozaukee Bight Lakeshore Migration Corridor and the Harrington Beach-Kohler Andrae Lakeshore Migration Corridor, are part of the National Great Lakes / Lake Michigan Migratory Bird Flyway, are on the coast of the newly designated Wisconsin Shipwreck Coast National Marine Sanctuary and also identified in the Park and Open Space Plan for Ozaukee County: 2035 as within one of only five Ozaukee County Project Acquisition Areas to be added to the Ozaukee County Park System.

There was also significant public input and support for adding the properties as part of the Lion's Den Gorge Acquisition Project Area to the Ozaukee County Park System during the development of the *Park and Open Space Plan for Ozaukee County: 2035 and subsequent update* (<https://www.co.ozaukee.wi.us/DocumentCenter/View/729/Park-and-Open-Space-Plan-for-Ozaukee-County-3rd-Edition?bidId>), as the 2020 Public Opinion Survey by UW River Falls shows a majority of Ozaukee County residents (85%) believe preserving open space, protecting natural resources and wildlife habitat should be a high future funding priority for the County. The adopted *Park and Open Space Plan for Ozaukee County: 2035* recommends County acquisition of lands along Ulao Creek and within the watershed to provide for unmet outdoor recreational needs in the Ozaukee County Park System, namely passive, non-motorized recreational opportunities including: limited hunting, fishing, cross-country skiing, snowshoeing, hiking, wildlife viewing and bird watching, restoration and management of the native landscape / natural area / critical species habitat, scientific research, nature-based education, appreciation of coastal resources, enjoyment of Ozaukee County's unique cultural and natural resources and other passive non-motorized outdoor recreational uses (pages 47, 48, 81 - 87). The final draft *Park and Open Space Plan for Ozaukee County (4th Edition)* specifically recommends the acquisition of these parcels for incorporation into the Ozaukee County Park System as part of the Lion's Den Gorge Nature Preserve Project Area.

The Ozaukee County Board of Supervisors adopted the *Natural Areas and Critical Species Habitat Protection and Management Plan for the Southeastern Wisconsin Region, SEWRPC Planning Report No. 42* (https://www.sewrpc.org/SEWRPCFiles/Publications/pr/pr-042_nat_areas_critical_species_habitat_protection_management_plan.pdf) on June 3, 1998 (Resolution 98-10) and adopted the subsequent Amendment (December 1, 2010) on December 7, 2011 (Resolution 11-48). These properties are located at the headwaters of Ulao Creek with a portion of the Ulao Lowland Forest natural area of local significance (NA-3), are within a critical east/west ecological corridor between the Ulao Lowland Forest and Port Washington Clay Banks and Cedar Heights Gorge Natural Areas on Lake Michigan, contain approximately 95.98 total acres including approximately 35.5 acres of wetlands, 20.2 acres of Natural Area (NA-3), 3.8 acres of 100 Year Floodplain, 6.2 acres of Isolated Natural Resource Area and 29.1 acres of Primary Environmental Corridor, where conservation of these areas is consistent and a priority within the adopted *Park and Open Space Plan for Ozaukee County: 2035* and final draft *Park and Open Space Plan for Ozaukee County (4th Edition)*, the adopted *Multi-Jurisdictional Comprehensive Plan for Ozaukee County: 2035* (<http://www.sewrpc.org/SEWRPCFiles/Publications/CAPR/capr-285-comp-plan-for-ozaukee-co.pdf>) (pages 77, 92, 95, 110, 112), the *Land and Water Management Plan for Ozaukee County: 2021 - 2030* (<https://www.sewrpc.org/SEWRPCFiles/Environment/LandWaterResourceManagementPlan/ca>

[pr-338-OZ-County-Land-and-Water-Resource-Management-Draft.pdf](#)) (pages 50, 110, 136, 138) and the *Natural Areas and Critical Species Habitat Protection and Management Plan for the Southeastern Wisconsin Region* and subsequent Amendment to this plan (pages 113, 114, 203, 206). In addition, the *Ozaukee County Strategic Plan 2020-2024* Chapter III Enhance Quality of Life Assets (<https://www.co.ozaukee.wi.us/DocumentCenter/View/14493/Ozaukee-County-Strategic-Plan-2020-24>) recommends strategies to “Continue to Preserve Environmentally Sensitive Lands and Natural Areas”, “Improve Our Water Quality” and “Develop Recreational and Cultural Destinations for Tourism, Residents and Businesses” (pages 13, 14). Acquisition of lands in the Ulao Creek Watershed is also consistent with the County Board endorsed *Regional Water Quality Management Plan Update* (https://www.sewrpc.org/SEWRPCFiles/Publications/pr/pr-050_part-1_water_quality_plan_for_greater_mke_watersheds.pdf), which recommends the protection of these areas, particularly for water quality benefits and improved public access to rivers, streams and lakes (pages 91, 92, 93, 95, 427).

ANALYSIS: Ozaukee County would accept the donation of the title to both properties via warranty deed with title policy. The property will be managed within the Ozaukee County Park System, under the County Park System ordinance as a Nature Preserve entitled “Ansay Nature Preserve” County Park and also under permanent conservation easement with the Milwaukee Metropolitan Sewerage District (MMSD) (per Ansay Family request); whereby, only passive recreational uses will be allowed such as hiking, birding, fishing, cross country skiing, snowshoeing, wildlife viewing, nature study and limited hunting. Supporting recreational amenities would include signage at the property entrance(s), hiking/walking trails, boardwalks, piers (fishing), picnic shelter(s), bathrooms/visitor center, a park road and adequate parking on a six-acre Conservation Easement Exclusion Area (see maps). The properties will be accessible from Stonecroft Drive and would represent the second publicly accessible parcel on Ulao Creek and the first with access to the Ulao Lowland Forest (Swamp) natural area in the Ulao Creek Watershed. Inclusion into the Ozaukee County Park System will allow for continued long-term environmental monitoring and study and will recognize the important natural, ecological, scenic, and recreational values as relatively natural habitat for plants and animals on the property, will assure that these values will be protected in perpetuity, will protect, enhance and restore wildlife habitat and natural communities on the property, will enhance opportunities for wildlife-based outdoor recreation, and will confine the use of the property to activities that are consistent with these goals and objectives. The property also offers high potential for public visitation and ongoing public education and outreach activities including with schools due to its location within the Lion’s Den Gorge Nature Preserve Project area, which includes Lion’s Den Gorge Nature Preserve and Clay Bluffs Cedar Gorge Nature Preserve and being on the coast of the new Wisconsin Shipwreck Coast National Marine Sanctuary.

See also Ansay Family Vision Document.

FISCAL IMPACT: \$100,000 donation (cash) in addition to the donated properties for development of approved passive recreational public infrastructure.

FUNDING SOURCE: Ansay Family Donation and MMSD Conservation Easement

RECOMMENDED MOTION: Approve and recommend to the Ozaukee County Board of Supervisors the Resolution for acceptance of a donation of the title of the properties located at 2202 Stonecroft Drive (Parcel ID 160040900000) and Lot 3 of Certified Survey Map #2294

(Parcel ID 160041200100), Port Washington, WI for addition to the Ozaukee County Park System Per §§ 59.52(6)(A) and 27.065(1)(A) Wisconsin Statutes as the “Ansay Nature Preserve” County Park.

ANSAY VISION FOR STONECROFT PROPERTY DONATION/ANSAY NATURE PRESERVE

Intent of land donation:

1. Facilitate a new and fresh people place, encouraging all people to enjoy and respect the environment.
2. Special interest in providing a safe and fun place for young families to go.
3. Property adjoins headwaters of Ulao Creek, and the land donation will be new component of [Treasures of Oz | Ozaukee County WI](#) including natural sanctuary areas to recreate and study the environment, helping to secure and protect sensitive natural areas (e.g., Ulao Swamp Natural Area) for future generations.

Encouraged and allowable activities:

1. Ansay family vision is to provide a peaceful nature area designed for passive recreational use.
2. Natural area for hiking, birding, fishing, cross country skiing, snow shoeing, etc.
3. Limited hunting (as allowable).

Amenities:

1. Signage at property entrance, walking/hiking trails, and additions as needed when future subdivisions connect to the trails.
2. Picnic Shelter(s)/Bathrooms/Visitor Center.
3. Park road and adequate parking.

Requirements of land holder / owner:

1. Conservation Easement in perpetuity to be held by the Milwaukee Metropolitan Sewerage District (MMSD).
2. \$100,000 administrative fee upon transfer of property and granting of conservation easement.
3. Commitment to deliver on schedule of agreed upon list of land improvements.
4. Maintenance plan including commitment to keep the property in pristine condition.
5. Educational component with potential connection to local school groups.
6. Ansay family approval for naming, development plan, fundraising, and sponsorships.
7. Land holder / Owner to receive \$100,000 towards the development of the land improvements.

PLANNING & PARKS DEPARTMENT

Andrew T. Struck, Director

www.co.ozaukee.wi.us/540/Planning-Parks

September 24, 2024

To Our Stonecroft Area Neighbors:

The Ansay family is delighted to announce the donation of two contiguous vacant parcels of land containing approximately ninety-six (96) acres located west of the current Stonecroft development to Ozaukee County to be held in perpetuity as a nature preserve. The intent is to provide a peaceful natural area designed for passive recreational use with activities such as hiking, birding, fishing, cross country skiing, snow shoeing, etc. Property improvements contemplated include items such as walking/hiking trails, boardwalks, piers, picnic shelter(s), visitor center/bathrooms, a park road and adequate parking.

Following County Board approval of the transfer, the property will be incorporated into the Ozaukee County Park System, ensuring it is available as a safe and fun location for young and old alike, especially for families. The property adjoins the headwaters of Ulao Creek including natural sanctuary areas (e.g. Ulao Swamp Natural Area), providing an opportunity to study the environment and helping secure and protect these sensitive lands for future generations. The donation agreement will include a permanent conservation easement recorded on the deed to ensure that only the conditions and improvements specified in the transfer can occur.

The County's Natural Resources Committee will consider the transfer agreement and enabling resolution in the near term, details of which can be found on the County's website at: <https://www.ozaukeecounty.gov/743/Natural-Resources-Committee>. The Committee will forward a recommendation to the full County Board for their review and consideration, in November or December 2024. <https://www.ozaukeecounty.gov/701/County-Board>

Feel free to contact the undersigned should you have any questions about the transfer. We are excited to move forward with this donation to preserve the property for future generations.

Sincerely yours,

Andrew Struck
Director
Ozaukee County Planning and Parks Department

AGENDA INFORMATION SHEET

AGENDA DATE:	November 6, 2024
DEPARTMENT:	Highway
DIRECTOR:	Jon Edgren
PREPARER:	Jon Edgren

Agenda Summary Amending Section 3.07 (3) of the Ozaukee County Code of Ordinances Pertaining to All-Terrain Vehicle and Utility-Terrain Vehicle Routes/Connections

BACKGROUND INFORMATION: On April 3rd, 2024, the Ozaukee County Board of Supervisors amended Ordinance 3.07 - All-Terrain Vehicle Code to allow All-Terrain Vehicles (ATV) & Utility-Terrain Vehicles (UTV) on a selection of County Highways tying together various roadways that multiple Towns had already approved for ATV/UTV usage.

The selection of highways was based upon a collaboration between the Ozaukee County Sheriff's Department and the Lakeshore ATV-UTV Club.

Over the last six (6) months, operations of ATV & UTVs have generated recognition of highways that should've been approved to allow for tying together additional highway links, there have been some concerns in specific locations and the Village of Fredonia has approved ATV/UTV usage. Therefore, we need to make some small revisions to the ordinance.

ANALYSIS: Below are the requested revisions with the general basis for each change:

- 1) CTH A from Washington County Line to Country Lane

This link will allow residents on Hickory Drive to get to Country Lane, which then connects with the remainder of the Town of Fredonia.

- 2) CTH H from Washington County Line to Kohler Drive

This link will connect the unincorporated area known as Little Kohler to CTH H in Washington County, which is approved for ATV/UTV usage.

- 3) CTH B from CTH LL to Mink Ranch Road

This link is being eliminated as it's a dead-end segment that doesn't serve any residences.

- 4) CTH O from Center Road to Deerfield Road

This link is being eliminated based upon concerns brought to the Ozaukee County Sheriff's Department due to the curvy nature of the roadway in this area.

The Highway Department has no concerns over the requested revisions, and sent the revisions to the Ozaukee County Sheriff's Department and Lakeshore ATV-UTV Club with no comments.

FISCAL IMPACT: Balance Current Year: -- Next Year's Estimated Cost: --

FUNDING SOURCE: County Levy: -- Non-County Levy: --

Indicate source: --

RECOMMENDED MOTION: Approve the Ordinance revisions to Section 3.07 - All-Terrain Vehicle Code as submitted.

ORDINANCE NO. 24-11

AMENDING SECTION 2.51 (4) OF THE OZAUKEE COUNTY CODE OF ORDINANCES - 2025 HUMAN SERVICES DEPARTMENT USER FEES

An Ordinance amending Section 2.51 of the Ozaukee County Code of Ordinances pertaining to Human Services Fees.

The County Board of Supervisors of the County of Ozaukee does ordain that Section 2.51 of the Ozaukee County Code of Ordinances be amended as follows:

2.51 HUMAN SERVICES FEES (20-3),(21-6), (22-6)

(1) User Fees for the Ozaukee County Human Services Department are established per this policy and managed by the Divisions, as detailed in this policy.

(2) The policy identifies the Human Services Department's usual and customary rates by program that are billable to either consumers and/or insurance plans.

(3) Aging and Disability Resource Center [Division](#) User Fees:

(a) Meals provided to our consumers will be billed at the rates below:

(b) Hot Meal: ~~\$10.29~~ [\\$10.88](#)

(c) Frozen Meal: \$5.25

(d) Additional Meal: \$5.25

(4) Behavioral Health Division User Fees:

(a) Advanced Practice Nurse Prescriber (APNP) Diagnostic Assessment (60 mins): \$180

(b) Advanced Practice Nurse Prescriber (APNP) Diagnostic Assessment (30 mins): \$95

(c) Advanced Practice Nurse Prescriber (APNP) ~~Diagnostic Assessment~~ Follow up [visit](#): Up to \$155

[\(d\) Advanced Practice Nurse Prescriber \(APNP\) Psychotherapy Add-on: Up to \\$155](#)

[\(e\) Advanced Practice Nurse Prescriber \(APNP\) Phone only E/M services: Up to \\$110](#)

~~(d)~~ (f) Clinical Social Worker/LPC/CSAC Diagnostic Assessment (60 mins): \$125

~~(e)~~ (g) Clinical Social Worker/LPC/CSAC Individual Therapy (16-37 mins): \$60

~~(f)~~ (h) Clinical Social Worker/LPC/CSAC Individual Therapy (38-52 mins): \$80

~~(g)~~ (i) Clinical Social Worker/LPC/CSAC Individual Therapy (53+ mins): \$115

~~(h)~~ (j) Clinical Social Worker/LPC/CSAC Family Therapy: \$100

~~(i)~~ (k) Clinical Social Worker/LPC/CSAC Group Therapy per session: \$45

~~(j)~~ (l) On Site Urinalysis: \$25

~~(k)~~ (m) Medication Injection: \$25

~~(5)~~ (5) Income Based Fees for Behavioral Health Division:

~~(a) For clients who are uninsured, have no other funding source, and who present the required documentation, Ozaukee County staff will set a rate depending on the service.~~
Clients are informed of their financial responsibility.

~~(b) Designated billing staff meet with clients, work with them to support client understanding of their financial responsibility and cost share, and set a rate for services.~~
As needed, staff will assist clients in understanding their financial obligation and help with other billing related questions.

(c) If a client is unable to meet the cost of service, a monthly payment plan is available.

(d) The Monthly Payment Plan Determination Form will be used to determine the client's monthly payment obligations.

(6) Protective Services Contracted Rates - Residential Services:

(a) Ozaukee County's contracted providers set their daily rates, which are comprised of a Room and Board rate and a Treatment rate.

(b) Program costs related to Room and Board: food, housing, utilities, etc., are the responsibility of clients.

(c) Clients are required to utilize any and all personal financial means to pay the cost of Room and Board.

(d) If a client is unable to meet the cost of Room and Board at 100%, Ozaukee County, depending upon the service provided, and in accordance with DHS Chapter 1, will use the Ozaukee County Monthly Payment Plan Determination Form or the Ozaukee County Cost of Care Worksheet to determine a monthly payment obligation by the client.

(7) Protective Services Inpatient Hospital Services Daily Rates:

(a) Inpatient Services are provided by a number of regional private, county, and state hospital systems, who assume responsibility for billing client insurance and client collections.

(8) Guardianship Fees:

(a) Under Wisconsin guardianship law, a guardian is entitled to reimbursement and compensation as determined by the court.

(b) Reasonable expenses incurred in the execution of the guardian's duties must be reimbursed.

(c) County Adult Protective Services staff will make every effort to seek and access the services of a volunteer guardian for every County guardianship case.

(d) Background checks will be completed by Adult Protective Services staff on all potential volunteer guardians.

(e) When all avenues have been exhausted and a volunteer guardian is not available, Adult Protective Services staff will request the services of a paid guardian.

(f) Wards will pay the monthly fees for the services of a paid guardian from their own incomes and/or assets when those fee payments are ordered by the court.

(g) Each case will be appraised on an individual basis, taking into consideration the ward's needs and County resources and responsibility.

(h) The Human Services Department reserves the right to waive the fee based on individual case circumstances.

(9) Voluntary Guardianships

(a) When guardianship is sought, the petitioner must have the proposed ward examined by a physician or psychologist and provide a written report to the court in accordance with Section 54.36 (1).

(b) The Human Services Department will attempt to obtain the required report in the least costly manner possible before pursuing a competency evaluation through a contracted psychologist or psychiatrist.

(c) The cost of the examination and/or report is paid by the petitioner, but the petitioner could bill the ward for that cost if ordered by the court.

(d) When the Human Services Department is contacted for assistance with a private guardianship and protective placement is needed, under Section 55.075, Adult Protective Services staff must complete a Comprehensive Report.

~~(6)~~ (10) Intoxicated Driver Program (IDP): All clients referred for assessments and safety plan development are assessed and must pay a standard one-time fee:

(a) Ozaukee County IDP Assessment: ~~\$255~~-\$275

(b) This standard fee is non-negotiable and clients will not successfully complete the program unless payment is received in full.

(c) Clients will also be assessed fees for the services listed below.

1. No Call/No Show: \$125
2. Intoxicated at Scheduled Assessment - Must reschedule: \$125
3. Cancellation less than 72-hour notice of scheduled appointment: \$75
4. Amendment/Extension to Driver Safety Plan: \$75
5. Reinstatement of Driver Safety Plan: \$100
6. Victim Impact Panel: \$10
7. Victim Impact Panel No Call/No Show Fee: \$25

~~(7)~~ (11) Behavioral Health Contracted Services: including Outpatient and Residential Services:

(a) Ozaukee County's contracted providers set their daily rates, which are comprised of a Room and Board rate and a Treatment rate.

(b) Program costs related to Room and Board: food, housing, utilities, etc., are the responsibility of the clients.

(c) Clients are required to utilize any and all personal financial means to pay the cost of Room and Board.

(d) If a client is unable to meet the cost of Room and Board at 100%, Ozaukee County, depending upon the service provided, and in accordance with DHS Chapter 1, will use the Ozaukee County Monthly Payment Plan Determination Form or the

Ozaukee County Cost of Care Worksheet to determine a monthly payment obligation by the client.

~~(8)~~ (12) Inpatient Hospital Services Daily Rates:

- (a) Inpatient Services are provided by a number of regional private, county, and state hospital systems, who assume responsibility for billing client insurance and client collections.
- (b) Ozaukee County is mandated to assume the role of “funder of last resort” when clients are emergency detained under DHS Chapter 51 and placed in Hospital Inpatient Units or one of the State Institutions.
- (c) When placement to an Inpatient Unit is determined, crisis staff will collect the required documentation so that Ozaukee County Fiscal staff can determine a client’s monthly payment plan in accordance with DHS Chapter 1.
- (d) Fiscal staff will use the Ozaukee County Monthly Payment Plan Determination Form to determine a monthly payment obligation by the client.

~~(9)~~ (13) Children and Families Division User Fees:

- (a) The following identifies Ozaukee County Human Services Department’s usual and customary rates by program that are billable to consumers.
- (b) For clients who present the required documentation, Ozaukee County staff may set an adjusted rate depending on the service.
- (c) Designated billing staff meet with clients, work with them to support client understanding of their financial responsibility and cost share and set a rate for services.
- (d) Children and Families Division User Fees

1. Court Ordered Youth Justice Monthly Supervision Fee: \$75.00/month

~~(10)~~ (14) Family Court: Based on the authority granted in WI Statutes, Section 814.615(2), Ozaukee County may charge a fee to conduct a legal custody and physical placement study. Ozaukee County Ordinance 2.49 assigns responsibility for setting fees for legal custody and physical placement studies to the director of family court services. The fee schedule is on file and available at the Ozaukee County Clerk of Court’s office.

~~(11)~~ (15) Secure Detention Placements:

- (a) When youth are placed under Chapter 48 or 948 in a secure detention facility, placements are provided by a number of regional private and county systems who set their daily rates.
- (b) Ozaukee County assumes responsibility for billing and client collections.
- (c) When placement in a secure detention facility is determined necessary, Ozaukee County will bill the parent or guardian the provider’s daily rate. When a payment plan is requested, child protection services and/or youth justice staff will collect the required documentation so that Ozaukee County fiscal staff can determine a client’s monthly payment plan.
- (d) Fiscal staff will use the Ozaukee County *Monthly Payment Plan Determination Form* to determine a monthly payment obligation by the client.

~~(12)~~ (16) Youth Justice Supervision:

- (a) Based on the authority granted in WI Statutes, Sections 938.275 (1)(b) and 938.36(2), Human Services may establish a fee for supervision services for youth adjudicated Delinquent or for Youth found to be In Need of Protection or Services.
- (b) The Ozaukee County Juvenile Justice program assesses a \$75.00 per month supervision fee for all youth and families in the program.

~~(13)~~ (17) Birth to 3 Program:

- (a) Parents may be required to share the cost of their child's Birth to 3 services.
- (b) The Birth to 3 Program will calculate a parent's cost share based on information provided by the family.
- (c) Family income will not determine a child's eligibility for the Birth to 3 Program.
- (d) The cost share is applied to the cost of the entire plan and not individual services. Evaluation, assessment, Individual Family Service Plan development and service coordination are not included in the cost share. Determined at program admission and at the annual IFSP update.

~~(14)~~ (18) CLTS/CCOP Parental Payment Liability:

- (a) Parental Cost Share/Payment Liability is determined following the development of the ISP (Individual Service Plan) in accordance with DHS Chapter 1.
- (b) The payment liability considers size of family, determines daily cost of services, family adjusted gross income, and current federal poverty guidelines.
- (c) Families with an adjusted gross at or above 330% of the Federal Poverty Guideline (FPG) will have a cost share. Determined at program admission, at the annual re-determination and when there is a significant change in services on the ISP.

~~(15)~~ (19) The fees for services provided by the Ozaukee County Department of Human Services are approved annually by the Ozaukee County Board of Supervisors in compliance with the requirement in DHS 1.03(2) of the Wisconsin Administrative Code.

This Ordinance shall take effect upon enactment and publication.

Dated at Port Washington, Wisconsin, this 6th day of November 2024.

AGENDA INFORMATION SHEET

AGENDA DATE:	November 6, 2024
DEPARTMENT:	Human Services
DIRECTOR:	Liza Drake
PREPARER:	Liza Drake

Agenda Summary Amending Section 2.51 (4) of the Ozaukee County Code of Ordinances - 2025 Human Services Department User Fees

BACKGROUND INFORMATION: The Department of Human Services fee schedule requires approval by the County Board. *"Fees for services provided by the county department under s. 51.42 Stats., shall be established and approved annually by a county board of supervisors."* Attached is the proposed 2025 fee listing. User fees for the Human Services Department include the following:

User fees for the Human Services Department include the following:

- Fees for Home Delivered Meal coordinated by the Aging and Disability Resource Center
- Usual and customary charges billed to insurance (Medicaid, Medicare, Private Insurance) from services provided in the Outpatient Clinic
- Payment for Room and Board for clients receiving protective services, who are utilizing Mental Health and AODA Residential services, and for clients receiving Inpatient hospital services
- Paid Guardianship fees
- Assessment and safety plan development provided under the Intoxicated Driver Program
- Parental fees related to services and costs for Family Court, Court-ordered Supervision and Secure Detention of Juvenile Offenders
- Parental fees related to the Birth to Three and Children's Long-Term Services Programs

User Fees for the Human Services Department are established and managed by Division, as they are different depending on the service.

FISCAL IMPACT: The collection of User Fees are incorporated in the 2025 budget.

FUNDING SOURCE: Individuals/families are responsible for the fees outlined in the document.

RECOMMENDED MOTION: The Human Services Department respectfully requests approval of the ordinance establishing the fee schedule.

ATTACHMENTS:

- OzaukeeCounty HSD2024 Proposed User Fees_2025 (DOCX)

To: Human Services Committee

From: Liza Drake, Human Services Department Director

Date: September 2024

Subject: Proposed 2025 Human Services Department User Fees

User fees for the Human Services Department include the following:

- Fees for Home Delivered Meal coordinated by the Aging and Disability Resource Center
- Usual and customary charges billed to insurance (Medicaid, Medicare, Private Insurance) from services provided in the Outpatient Clinic
- Payment for Room and Board for clients receiving protective services, who are utilizing Mental Health and AODA Residential services, and for clients receiving Inpatient hospital services
- Paid Guardianship fees
- Assessment and safety plan development provided under the Intoxicated Driver Program
- Parental fees related to services and costs for Family Court, Court-ordered Supervision and Secure Detention of Juvenile Offenders
- Parental fees related to the Birth to Three and Children's Long-Term Services Programs

User Fees for the Human Services Department are established and managed by Division, as they are different depending on the service.

Aging and Disability Resource Center Division User Fees

Meals provided to our consumers will be billed at the rates below:

Home Delivered Meals	2024	2025
Hot Meal	\$10.29	\$10.88
Frozen Meal	\$5.25	\$5.25
Additional Meal	\$5.25	\$5.25

Behavioral Health Division User Fees

The following table identifies Ozaukee County Human Services Department's usual and customary rates by program that are billable to either consumers and/or insurance plans. Clients are informed of their financial responsibility. As needed, staff will assist clients in understanding their financial obligation and help with other billing related questions. If a client is unable to meet the cost of service, a monthly payment plan is available. The Monthly Payment Plan Determination Form will be used to determine the client's monthly payment obligation.

Outpatient Clinic Services	2024	2025
APNP (Advanced Practice Nurse Prescriber) Diagnostic Assessment (60 mins)	\$180	\$180
APNP (Advanced Practice Nurse Prescriber) Diagnostic Assessment (30 mins)	\$95	\$95
APNP (Advanced Practice Nurse Prescriber) Follow-up visit	Up to \$155	Up to \$155
APNP (Advanced Practice Nurse Prescriber) Psychotherapy Add-on	-	Up to \$155
APNP (Advanced Practice Nurse Prescriber) Phone only E/M services	Up to \$110	Up to \$110

Medication Injection	\$25	\$25

Protective Services Contracted Rates - Residential Services:

Ozaukee County's contracted providers set their daily rates, which are comprised of a Room and Board rate and a Treatment rate. Program costs related to Room and Board: food, housing, utilities, etc., are the responsibility of clients. Clients are required to utilize any and all personal financial means to pay the cost of Room and Board. If a client is unable to meet the cost of Room and Board at 100%, Ozaukee County, depending upon the service provided, and in accordance with DHS Chapter 1, will use the Ozaukee County *Monthly Payment Plan Determination Form* or the *Ozaukee County Cost of Care Worksheet* to determine a monthly payment obligation by the client.

Protective Services Inpatient Hospital Services Daily Rates:

Inpatient Services are provided by a number of regional private, county, and state hospital systems, who assume responsibility for billing client insurance and client collections.

Guardianship Fees:

Under Wisconsin guardianship law, a guardian is entitled to reimbursement and compensation as determined by the court. Reasonable expenses incurred in the execution of the guardian's duties must be reimbursed. County Adult Protective Services staff will make every effort to seek and access the services of a volunteer guardian for every County guardianship case. Background checks will be completed by Adult Protective Services staff on all potential volunteer guardians. When all avenues have been exhausted and a volunteer guardian is not available, Adult Protective Services staff will request the services of a paid guardian. Wards will pay the monthly fees for the services of a paid guardian from their own incomes and/or assets when those fee payments are ordered by the court. Each case will be appraised on an individual basis, taking into consideration the ward's needs and County resources and responsibility. The Human Services Department reserves the right to waive the fee based on individual case circumstances.

Voluntary Guardianships:

When guardianship is sought, the petitioner must have the proposed ward examined by a physician or psychologist and provide a written report to the court in accordance with Section 54.36 (1). The Human Services Department will attempt to obtain the required report in the least costly manner possible before pursuing a competency evaluation through a contracted psychologist. The cost of the examination and/or report is paid by the petitioner, but the petitioner could bill the ward for that cost if ordered by the court. When the Human Services Department is contacted for assistance with a private guardianship and protective placement is needed, under Section 55.075 Adult Protective Services staff must complete a Comprehensive Report. The time spent on completing and filing the Comprehensive Report will be billed to the ward at the staff member's hourly rate.

Intoxicated Driver Program (IDP):

All clients referred for assessments and safety plan development are assessed and must pay a standard one-time fee. This standard fee is non-negotiable and clients will not successfully complete the program unless payment is received in full. Clients will also be assessed fees for the services listed in the table below.

Intoxicated Driver Program (IDP)	2024	2025
Ozaukee County IDP Assessment (one-time fee)	\$255	\$275
No Call/No Show	\$125	\$125
Intoxicated at Scheduled Assessment - Must reschedule	\$125	\$125
Cancellation less than 72 hour notice of scheduled appointment	\$75	\$75
Amendment/Extension to Driver Safety Plan	\$75	\$75
Reinstatement of Driver Safety Plan	\$100	\$100
Victim Impact Panel	\$10	\$10
Victim Impact Panel No Call/No Show Fee	\$25	\$25

Behavioral Health Contracted Services: including Outpatient and Residential Services:

Ozaukee County's contracted providers set their daily rates, which are comprised of a Room and Board rate and a Treatment rate. Program costs related to Room and Board: food, housing, utilities, etc., are the responsibility of clients. Clients are required to utilize any and all personal financial means to pay the cost of Room and Board. If a client is unable to meet the cost of Room and Board at 100%, Ozaukee County, depending upon the service provided, and in accordance with DHS Chapter 1, will use the Ozaukee County *Monthly Payment Plan Determination Form* or the *Ozaukee County Cost of Care Worksheet* to determine a monthly payment obligation by the client.

Inpatient Hospital Services Daily Rates:

Inpatient Services are provided by a number of regional private, county, and state hospital systems, who assume responsibility for billing client insurance and client collections. Ozaukee County is mandated to assume the role of "funder of last resort" when clients are emergency detained under DHS Chapter 51 and placed in Hospital Inpatient Units or one of the State Institutions. When placement to an Inpatient Unit is determined, crisis staff will collect the required documentation so that Ozaukee County Fiscal staff can determine a client's monthly payment plan in accordance with DHS Chapter 1. Fiscal staff will use the Ozaukee County *Monthly Payment Plan Determination Form* to determine a monthly payment obligation by the client.

Children and Families Division User Fees

The following table identifies Ozaukee County Human Services Department's usual and customary rates by program that are billable to consumers. For clients who present the required documentation, Ozaukee County staff may set an adjusted rate depending on the service. Designated billing staff meet with clients, work with them to support client understanding of their financial responsibility and cost share and set a rate for services.

Children and Families Division User Fees	2024	2025
Court Ordered Youth Justice Monthly Supervision Fee	\$75.00/month	\$75.00/month

Family Court:

Based on the authority granted in WI Statutes, Section 814.615(2), Ozaukee County may charge a fee to conduct a Family Court Custody study. Ozaukee County's ordinance 2.49 directs the Director of Family Court Services to set the rate for this study.

Secure Detention Placements:

When youth are placed under Chapter 48 or 948 in a secure detention facility, placements are provided by a number of regional private and county systems who set their daily rates. Ozaukee County assumes responsibility for billing and client collections. When placement in a secure detention facility is determined necessary, Ozaukee County will bill the parent or guardian the provider's daily rate. When a payment plan is requested, child protection services and/or youth justice staff will collect the required documentation so that Ozaukee County fiscal staff can determine a client's monthly payment plan. Fiscal staff will use the Ozaukee County *Monthly Payment Plan Determination Form* to determine a monthly payment obligation by the client.

Youth Justice Supervision:

Based on the authority granted in WI Statutes, Sections 938.275 (1)(b) and 938.36(2), Human Services may establish a fee for supervision services for youth adjudicated Delinquent or for Youth found to be in need of Protection or Services. The Ozaukee County Juvenile Justice program assesses a \$75.00 per month supervision fee for all youth and families in the program.

Birth to 3 Program:

Families may be required to share the cost of their child's Birth to 3 services. The Birth to 3 Program will calculate a family's cost share based on information provided by the family. Family income will not determine a child's eligibility for the Birth to 3 Program. The cost share is applied to the cost of the entire plan and no individual services. Evaluation, assessment, Individual Family Service Plan development and service coordination are not included in the cost share. Determined at program admission and at the annual IFSP update.

CLTS/CCOP Parental Payment Liability:

Parental Cost Share/Payment Liability is determined following the development of the ISP (Individual Service Plan) in accordance with DHS Chapter 1. The payment liability considers size of family, determines daily cost of services, family adjusted gross income, and current federal poverty guidelines. Families with an adjusted gross at or above 330% of the Federal Poverty Guideline (FPG) will have a cost share. Determined at program admission, at the annual re-determination and when there is a significant change in services on the ISP.
