7. PUBLIC HEALTH

a. Discussion Items

1. Opioid Settlement Spending Discussion

Ms. Buechler outlined potential uses for the opioid settlement funds, including the establishment of a day treatment center program. Furthermore, Ms. Buechler noted that Washington County has a vending machine that can dispense Narcan, Fentanyl test strips and condoms and feels Ozaukee County would benefit from having a similar vending machine. The approximate cost of a vending machine is \$7,000-\$14,000.

Further discussion on how to provide support to individuals so they are aware of the services available to them.

2. 2026-2030 Community Health Improvement Plan Presentation - PH Strategy Team

Ms. Weiland and Mr. Hafemann explained that the team is working to create a 2026-2030 Community Health Improvement Plan. Sending surveys to Washington and Ozaukee County residents, gathering data from the surveys, conducting listening sessions for feedback, and gathering additional health indicators from secondary data sources and identifying key community health issues are all steps in the process of coming up with a plan. The strategy is to confer with coalition partners in order to work together. Ms. Buechler will report on the progress throughout the year.

b. Management/Financial/Informational Reports

There were no questions.

8. HUMAN SERVICES

a. Discussion Items

1. Opioid Settlement Spending Discussion - Day Treatment Center Presentation

Ms. Falkner and Ms. Plahna presented an overview of the proposed Day Treatment Center Program, including days and times of operation, patient volume and staffing.

Discussion on the mission and vision of the program, patient workflow for day treatment, patient care and after-care treatment.

Mr. Dzwiniel will present the Day Treatment Center program to the County Board at the January 21, 2026 meeting.

b. Management/Financial/Informational Reports

There were no questions.
